

ARTICLE 35

DEFINITIONS

§35.05 - CONSTRUCTION OF LANGUAGE

For the purpose of this Ordinance, specific terms, phrases and rules of construction shall be interpreted as follows in this Article.

(A) Interpretations: The following shall apply to interpretations of language in this Ordinance.

- (1) *Language:* If the meaning of the language of this Ordinance is unclear in a particular circumstance, the individual or body charged with interpreting or applying this Ordinance shall construe the meaning in a manner consistent with the intent of this Ordinance and other zoning and planning laws.
- (2) *Meaning of Words & Phrases:* Words and phrases defined in this Ordinance shall be construed and understood according to the definition contained in this Ordinance. Technical words and phrases that may have acquired a peculiar and appropriate meaning in the law shall be construed and understood according to that peculiar and appropriate meaning. Except as described above, all words and phrases shall be construed and understood according to the common preferred use of the language.

(B) Terms: The following general terms shall have the meanings and be used as outlined below.

- (1) *Ordinance:* The words “this Ordinance” shall mean the text of this Ordinance as well as all maps, tables, graphics, and schedules, as included or attached, as enacted or subsequently amended.
- (2) *Shall & May:* The term “shall” is always mandatory and not discretionary; the word “may” is permissive.
- (3) *Particular & General:* The particular shall control the general. For terms used in this Ordinance, the use of a general term shall not be taken to be the same as the use of any other specific term.
- (4) *Tense:* Words used in the present tense include the future tense, unless the context clearly indicates otherwise.
- (5) *Singular & Plural:* The singular includes the plural, and the plural shall include the singular, unless the context clearly indicates otherwise.
- (6) *Person:* The word “person” includes an individual, corporation, association, partnership, trust, firm, or similar entity.
- (7) *Building:* The word “building” includes the word “structure” and either includes any part thereof.
- (8) *Build:* The word “build” includes “erect” and “construct.”
- (9) *Lot:* The word “lot” includes the word “plot,” “tract,” or “parcel.”
- (10) *Used or Occupied:* The word “used” or “occupied,” as applied to any land or building, shall be construed to include the words intended, arranged, maintained for or designed to be used or occupied.

- (11) *Conjunctions*: The conjunctions noted below shall be interpreted as follows, unless the context clearly indicates otherwise:
- a. *And*: “And” indicates that all the connected items, conditions, provisions, or events shall apply.
 - b. *Or*: “Or” indicates the connected items, conditions, provisions or events may apply singly or in any combination.
 - c. *Either Or*: “Either...or” indicates that the connected items, conditions, provisions, or events shall apply singly, but not in combination.
- (12) *Days*: “Days” means calendar days unless stated otherwise.
- (13) *Successor*: Reference to a specific agency, department, law, act, rule, etcetera, in this Ordinance shall include any successor.

§35.10 - DEFINITIONS

(A) *Definitions of Words & Phrases Starting with “A”*: The following words and phrases shall have the meanings described below.

- (1) *Abandoned Motor Vehicle*: See “Motor Vehicle, Inoperable.”
- (2) *Abandonment*: The relinquishment of land or cessation of a use of the land by the owner or lessee without any intention of transferring rights to the land to another owner or of resuming that use of the land or building.
- (3) *Abutting (lot)*: A lot that shares a common border with another lot or parcel. See “Adjacent or Adjoining” and “Contiguous.”
- (4) *Accessory Dwelling*: See “Dwelling, Accessory.”
- (5) *Access*: The way by which one gains ingress or egress to a property.
- ~~(6) *Accessible Storage*: HERE.~~
- ~~(7)(6) *Accessory Building or Structure*: See “Building, Accessory” or “Structure, Accessory.” A building or structure that is located on the same lot as the principal structure that is clearly incidental and subordinate to the primary structure. Examples of accessory structures include, but are not limited to: detached garages, detached carports, sheds, pole barns, and fences.~~
- ~~(8)(7) *Accessory Use*: See “Use, Accessory.”~~
- ~~(9)(8) *Act*: The term “Act” or “doing of an act” includes “omission to act.”~~
- ~~(10)(9) *Activity*: Any use, operation, development, or action on or to uplands or bottomlands caused by any person, including, but not limited to: constructing, operating, or maintaining any use or development; erecting buildings or other structures; depositing or removing material; dredging, ditching; land balancing, draining, or diverting water; pumping or discharge of surface water; grading, paving, vegetative clearing or excavation; mining or drilling operations.~~
- ~~(11)(10) *Addition*: A physical enlargement or expansion of the building envelope of an existing building or structure.~~
- ~~(12)(11) *Adjacent or Adjoining*: Touching, contiguous, sharing a common lot line, or located across a street or alley. See “Contiguous.”~~

~~(13)~~(12) *Administrative Adjustment*: An adjustment to the base developmental standards of this Ordinance by the approving authority if specified conditions are satisfied.

~~(14) *Adult Day Care Center*: A day care center that provides care for adults requiring care for less than twenty-four (24) consecutive hours.~~

~~(15)~~(13) *Adult-related Businesses*: Any business, club, or organization where one or more persons display “specified anatomical areas” or engage in “specified sexual activities,” either in person or by photograph, motion picture, television, or other means, including, but not limited to the following:

- a. *Adult Bookstore or Videostore*: An establishment permitting physical access by customers to floor area or shelf space that is devoted to the display of books, magazines, or other periodicals, video tapes, dvds, photographs, motion picture films, or other types of video that are distinguished or characterized by their emphasis on matter depicting, describing, or relating to “specified sexual activities” or “specified anatomical areas.” This also includes any establishment which indicates the availability of such material by any sign, advertisement, or other device audible or visible from anywhere outside the principal building, regardless of the amount of area devoted to said material;
- b. *Adult Cabaret*: A nightclub, bar, cocktail lounge, restaurant, or similar establishment that has performers and/or employees that are characterized by the exposure of specified anatomical areas or by specified sexual activities or films, motion pictures, slides, or other photographic or video reproductions in which a substantial portion of the total presentation is devoted to the showing of material that is characterized by an emphasis upon the depiction or description of specified sexual activities or specified anatomical areas;
- c. *Adult Theater*: Any establishment presenting material or activity distinguished or characterized by an emphasis on matter depicting, describing or relating to “specified sexual activities” or “specified anatomical areas” for viewing by patrons or customers;
- d. *Massage Parlor*: An establishment in which a substantial or significant portion of the business conducted involves the administration of non-therapeutic massage, erotic touching, or fondling of “specified anatomical areas.” The term “massage parlor” does not include medical or therapeutic massage services or any state-licensed practitioners or medical or related services such as chiropractors or physical therapists;
- e. *Public Bath*: An establishment providing common bathing facilities or hot tubs for use for a fee. Shower facilities, swimming pools, saunas, and similar facilities intended as accessory uses in a school, health club, motel, or similar facility are not “public baths;”
- f. *Specified Anatomical Areas*: Human genitals, pubic regions, buttock, or any portion of the female breast below a point immediately above the top of the areola when less than completely and opaquely covered, in addition to human genitals in a discernibly turgid state, even if completely and opaquely covered;
- g. *Specified Sexual Activities*: Human genitals in a state of stimulation or arousal; acts of human or animal masturbation or sexual intercourse; fondling of or erotic touching of human genitals, pubic region, buttock, or female breast; bestiality; fellatio or cunnilingus; sadomasochistic abuse; and human excretory functions; and
- h. *Taxi Dance Hall*: An establishment that provides dance partners as the direct or indirect result of payment of a fee.

- ~~(16)~~(14) *Adult Foster Care Facility*: A governmental or nongovernmental facility that provides foster care, residential structure licensed to provide room, board, and supervised care, but not continuous nursing care, to adults who are aged, mentally ill, developmentally disabled, or physically disabled who require supervision on an ongoing basis but who do not require continuous nursing care. See also MCL 400.701 (Public Act 218 of 1979) ~~for unrelated adults over the age of 17, in accordance with Public Act 218 of 1979, and the Adult Foster Care Administrative Rules, as administered by the Michigan Department of Social Services.~~ The following types of ~~Adult Foster Care care Facilities facilities~~ are provided for:
- a. *Adult Foster Care Family Home*: ~~Private A private residence with a capacity to receive for six (6) or fewer adults to be provided with foster care for five (5) or more days a week and for two (2) or more consecutive weeks in which the licensee shall be a member of the household and an occupant of the residence. is a resident.~~
 - b. *Adult Foster Care Small Group Home*: An adult foster care facility with the capacity to receive Residence for twelve (12) or fewer adults to be provided foster care in which the licensee is not required to be a resident.
 - c. *Adult Foster Care Large Group Family Home*: An adult foster care facility with the capacity to receive Residence for thirteen (13) through twenty (20) adults to be provided foster care in which the licensee is not required to be a resident.
- ~~(17)~~(15) *Adverse Impact*: A negative consequence for the physical, social, or economic environment resulting from an action, activity, use, or development.
- ~~(18)~~(16) *Agriculture*: The use of land for agricultural purposes, including, but not limited to: farming, dairying, pasturage, apiculture, aquaculture, horticulture, floriculture, viticulture, and animal and poultry husbandry.
- ~~(19)~~(17) *Agricultural Building or Structure*: A building or structure designed and constructed to house farm implements, hay, grain, poultry, livestock, or other farm products and that is clearly incidental and accessory to a commercial farm operation, excluding retail trade but including roadside stands.
- ~~(20)~~(18) *Agricultural Land*: Land devoted to the commercial production of plants and animals useful to humans, including, but not limited to ~~-,~~ forage and sod crops, grains, feed crops, field crops, dairy products, poultry and poultry products, livestock, herbs, flowers, seeds, grasses, nursery stock, fruits, vegetables, Christmas trees, and other similar uses and activities.
- ~~(21)~~ *Air Contaminant*: ~~Dust, fumes, gas, mist, smoke, vapor, or any combination thereof.~~
- ~~(22)~~ *Air Contaminant Source*: ~~Any and all sources of air contaminants.~~
- ~~(23)~~(19) *Air Pollution*: Presence in the outdoor atmosphere of one or more air contaminants in sufficient quantities and of such characteristics and duration to be injurious or to unreasonably interfere with the comfortable enjoyment of life and property.
- ~~(24)~~(20) *Alley*: See “Street: Alley.”
- ~~(25)~~(21) *Alteration*: Any change, addition, or modification in construction or type of use; any change in the structural members of a structure, such as walls or partitions, columns, beams or girders; or any change which may be referred to herein as altered or reconstructed.
- ~~(26)~~(22) *Amendment*: See “Zoning Text Amendment” or “Zoning Map Amendment.”
- ~~(27)~~(23) *Appeal*: A petition to the Zoning Board of Appeals for a variance, appeal of a decision, or interpretation or any other petition to the Zoning Board of Appeals, as allowed in this Ordinance and state law.

~~(28)~~(24) *Appeal of Decision*: An appeal to the Zoning Board of Appeals requesting a reversal, change, or modification of a decision or action by a Township official or body involved in the enforcement and execution of this Ordinance.

~~(29)~~(25) *Assisted Living Facility*: A facility, other than a hospital, having as its primary function the rendering of care for extended periods of time to persons afflicted with illness, injury, or an infirmity, including accessory uses that provide services to the residents, staff, and visitors. Also known as nursing home.

~~(30)~~(26) *Automobile*: See “Motor Vehicle.”

~~(31)~~(27) *Average Grade*: C “Grade: Average Grade.”

~~(32)~~(28) *Awning*: An architectural projection that provides weather protection, identity, or decoration that is wholly supported by the structure to which it is attached and is comprised of a lightweight, rigid skeleton structure over which a covering is attached.

(B) Definitions of Words & Phrases Starting with “B”: The following words and phrases shall have the meanings described below.

(1) *Bar*: An establishment or part of an establishment devoted primarily to the selling, serving, or dispensing of alcoholic beverages for on-site consumption.

(2) *Bed & Breakfast*: A ~~single-family residential facility dwelling which that~~ is owner-occupied in which overnight accommodations are provided or offered for compensation, including the provision of bathing and lavatory facilities and a breakfast meal.

(3) *Berm*: A mound of earth graded, shaped, and improved with landscaping in such a fashion as to be used for visual and/or audible screening purposes to provide a transition between uses of differing intensity or to raise a structure above the natural grade.

(4) *Biofuel Production Facility, Small*: A facility for the production of biofuel with an annual production capacity of not more than 100,000 proof gallons.

(5) *Biofuel Production Facility, Large*: A facility for the production of biofuel with an annual production capacity of more than 100,000 but not more than 500,000 proof gallons.

(6) *Blight*: Unightly ~~and-or~~ hazardous conditions, including, but not limited to:

- a. The accumulation of debris, litter, junk, or rubble;
- b. Structures characterized by holed, breaks, rot, crumbing, cracking, peeling, or rusting;
- c. Landscaping that is dead, characterized by uncontrolled growth or lack of typical maintenance, or damage;
- d. Outdoor storage of inoperable motor vehicles, recreational vehicles, trailers, and watercraft; and
- e. Any other similar conditions of disrepair and deterioration.

~~(7) *Block*: An area that abuts a street and lies between two (2) adjoining streets or barriers, such as railroad right-of-way, rivers, lakes, and other lines of demarcation.~~

~~(8)~~(7) *Boat*: See “Watercraft.”

~~(9)~~(8) *Body of Water*: See “Waterbody.”

~~(10)~~(9) *Bottom Land*: The land area of an inland lake, stream, or river that lies below the ordinary high-water mark and that may or may not be covered by water.

- ~~(11)~~(10) *Breezeway*: A covered structure connecting an accessory building with the principal building.
- ~~(12)~~(11) *Buffer Area*: A strip of land reserved for plant material, berms, walls, or fencing to serve as a visual and/or sound barrier between properties, often between abutting properties and properties in different zoning districts. Landscaping, berms, fencing, or open space can also be used to buffer noise, light, and related impacts from abutting properties even if not in a separately established buffer zone.
- ~~(13)~~(12) *Buildable Area*: The open space on a lot, exclusive of the required yards (setbacks), on which a building may be constructed.
- ~~(14)~~(13) *Buildable Envelope*: The ~~three dimensional~~three-dimensional space of a lot defined by the setback standards and height standards in which a building may be constructed.
- ~~(15)~~(14) *Building*: A type of structure, either temporary or permanent, having a roof supported by columns, walls, or any other supports, that is used for the purpose of housing, sheltering, storing, enclosing persons, animals, or personal property, or carrying on commercial or institutional activities. This definition includes, but is not limited to: mobile homes, tents, sheds, garages, greenhouses, and other principal or accessory structures.
- ~~(16)~~(15) *Building Code*: The building code that is in force in the Township.
- ~~(17)~~(16) *Building Coverage*: The horizontal area of a lot, stated as a percentage of the lot area, that is covered by all structures located on the lot. This includes all buildings, roofed porches, arbors, breezeways, patio roofs, whether open box types and/or lathe roofs, or fully roofed, but does not include fences, walls or hedges used as fences, unroofed decks or patios or swimming pools. Building coverage shall be measured from exterior facades, including roofed porches, patios, and breezeways. Building coverage shall exclude the roof overhang.
- ~~(18)~~(17) *Building Envelope*: The exterior of a building as defined by the facades and roofs.
- ~~(18)~~ *Building Height*: ~~In the case of a principal or accessory building or structure, the average vertical distance measured from the finished grade along the building façade(s) facing front yard(s) and waterfront yard(s) at the center of the building where the building abuts the front yard(s) and waterfront yard(s) to the highest point of the roof surface, except as follows: to the deck line of mansard roofs, and to the average height between lowest point and the highest point of the highest roof surface eaves and the ridge of gable, hip, and gambrel roofs. For structures buildings on a lot which that has two (2) or more front yards or waterfront yards, the largest height measurement where the center of the building abuts the front yard shall be the building height~~ building height shall be the average height of all the facades facing a front yard or waterfront yard.

Figure 35.10(B)(18): Building Height (ADD NEW GRAPHIC)

(19) *Building Official*: An individual hired, or under contract to, the township or the building authority or agency responsible for administering the Building Code.

~~(19)~~**(20)** *Building, Accessory*: A building that is located on the same lot as the principal building that is clearly incidental and subordinate to the principal building. Examples include, but are not limited to, detached garages, detached sheds, pole barns, outhouses, and bus shelters.

~~(20)~~**(21)** *Building, Principal*: A building or group of buildings, where the context so indicates, in which the main or principal use of the site is located.

~~(21)~~**(22)** *Bus Shelter*: A small, roofed structure, usually having three (3) walls, located near a street and designed for the protection and convenience of bus passengers.

(C) Definitions of Words & Phrases Starting with “C”: The following words and phrases shall have the meanings described below.

- (1) Campground**: A site under the control of a person, business, corporation or public body on which camping sites and/or ~~rustic~~ cabins are offered for the use by the public or members of an organization, either free of charge or for a fee, for the establishment of temporary living quarters. Temporary living quarters, in this context, means a tent, recreational vehicle, rustic cabin, or any portable structure designed to be carried or towed by a vehicle and placed for temporary living quarters.
- (2) Canopy**: Any overhead protective structure that is constructed in such a manner as to allow pedestrians or vehicles to pass under.
- (3) Car Wash**: Any building or structure, or portion thereof, containing facilities for commercial washing of motor vehicles using a conveyor, blower, steam cleaning device, or other mechanical devices, including coin, self-service, and attendant operated drive-through, automatic self-serve, track-mounted units, and similar high-volume washing establishments, but not including hand-washing operations.
- (4) Carport**: A partially-open structure, intended to shelter at least one (1) vehicle.
- (5) Cemetery**: Land or a facility, including, but not limited to, mausoleums and/or columbariums, used for the perpetual interment of deceased human beings or customary household pets.
- (6) Certificate of Occupancy**: A document signed by the Building Official as a condition precedent to the commencement of the legal use of a building that acknowledges that the structure complies with the Building Code in force in the Township.
- (7) Certificate of Zoning Compliance, Preliminary**: See “Zoning Permit.”
- (8) Certificate of Zoning Compliance**: A document signed by the ~~director~~ Director of planning Planning and zoning Zoning as a condition precedent to the commencement of the legal use of a structure or land acknowledging that the structure or other improvements or the use of the land is consistent with the standards of this Ordinance. Also known as final certificate of zoning compliance.
- (9) Change of Use**: The use of a building, structure, lot, or portion thereof that is different from the previous use in the way it is classified by this Ordinance or the Building Code.
- (10) Church**: See “Religious Institution.”
- (11) Clear-Vision Zone**: The triangular area at the intersection or a driveway and a street or streets that is to remain clear of visual obstructions.

- (12) *Club*: An organization of persons for special purposes or for the promulgation of sports, recreation, arts, science, literature, politics, agriculture, or similar activities, that is not operated for profit and open only to members and not the general public.
- (13) *Commercial Agriculture*: The use of land and/or structures for the growing and/or production of farm products for income. See also “Farm” and “Farm Operation.”
- (14) *Commercial Vehicle*: Any motor vehicle, other than a passenger vehicle, and any trailer, semi-trailer, or pole trailer drawn by a motor vehicle, that is designed, used, and maintained for the transportation of persons or property for hire, compensation, profit, or in the furtherance of a commercial use.
- (15) *Common Use Access Lot*: ~~A lot that is used to provide access to a surface water body for more than two (2) dwelling units not located on the lot.~~ See “Lot, Common Use Access.”
- (16) *Common Use Lot*: ~~A lot that other lots have added or dedicated right to use. Also known as common area.~~ See “Lot, Common Use.”
- (17) *Communication Tower*: See “Wireless Communication Facility: Communication Tower.”
- (18) *Community Well or Sewage System*: A facility that is owned by a governmental or non-governmental entity and is designed, constructed, operated, and maintained to transport, collect, process and treat potable water to or sanitary sewage from ~~or provide potable water to~~ more than one (1) lot or dwelling unit. For the purposes of this definition, an accessory dwelling unit shall not be considered a separate dwelling unit.
- (19) *Conditional Rezoning*: See “Zoning Map Amendment, Conditional.”
- (20) *Conditional Use*: See “Special Land Use.”
- (21) *Condominium Definitions*: The following words, terms, and phrases related to condominiums shall have the following meanings:
- a. *Common Elements, General*: Common elements, other than the limited common elements, intended for the common use of all the co-owners.
 - b. *Common Elements, Limited*: Portions of the common elements reserved in the master deed for the exclusive use of less than all the co-owners.
 - c. *Condominium*: A system of separate ownership of individual units and/or multi-unit projects according to the Condominium Act. In addition to the interest acquired in a particular unit, each unit owner is also a tenant in common in the underlying fee and in the spaces and building parts used in common by all the unit owners.
 - d. *Condominium Act*: Public Act 59 of 1978, MCL 559.101 et seq.
 - e. *Condominium Lot*: That portion of the land area of a site condominium project designed as the building envelope and intended to function similar to a lot for purposes of determining yard setback standards and other standards of this Ordinance; a condominium unit of vacant land in a site condominium. A condominium lot shall be the equivalent of a “lot.”
 - f. *Condominium Project*: A plan or project consisting of two (2) or more condominium units established and approved in conformance with the Condominium Act.
 - g. *Condominium Subdivision or Site Condominium*: A division of land on the basis of condominium ownership that is not subject to the provisions of the Subdivision Control Act.

- h. *Condominium Subdivision Plan*: The drawings attached to the master deed for a condominium subdivision that describes the size, location, area, horizontal, and vertical boundaries and volume of each condominium unit contained in the condominium subdivision, as well as the nature, location and size of common elements.
- i. *Condominium Unit*: That portion of a condominium project or condominium subdivision that is designed and intended for separate ownership and use, as described in the master deed, regardless of whether it is intended for residential, office, industrial, business, recreational, use as a time-share unit, or any other type of use. A condominium unit may consist of either vacant land or space which either encloses, or is enclosed by, a building structure.
- j. *Master Deed*: The condominium document recording the condominium project, including all exhibits.

(22) **Construction**: The erection, alteration, repair, renovation, demolition, or removal of any structure and the excavation, filling, and grading in connection thereto.

(23) **Contiguous**: Sharing a common border or lot line or located across a street, alley, or walkway. See also "Contiguous" and "Adjacent or Adjoining."

(24) **Country Club**: See "Golf Course."

(25) **County**: Washtenaw County, Michigan.

(26) **Cul-de-sac**: See "Street: Cul-de-sac."

(27) **Culvert**: A pipe, conduit, or similar enclosed structure that carries surface or storm water under or through an embankment, fill, roadway, or other obstruction.

(D) **Definitions of Words & Phrases Starting with "D"**: The following words and phrases shall have the meanings described below.

(1) **Dawn**: The nearest half hour or hour following sunrise.

(2) **Day Care Center**: A facility, other than a private residence, receiving one (1) or more preschool or school-age children or adults requiring care for care for periods of less than twenty-four (24) hours a day and where the parents or guardians are not immediately available. Day Care Center includes a facility that provides care for at least two (2) consecutive weeks, regardless of the number of hours of care per day. The facility is generally described as a child care center, day care center, day nursery, nursery school, parent cooperative preschool, play group, ~~or drop-in center,~~ or adult day care center. Day ~~Care-care Center-center~~ does not include any of the following:

- a. A Sunday school, vacation bible school, or religious instructional class that are conducted by a religious institution where children are in attendance for:
 - 1. No more than three (3) hours per day for an indefinite period; or
 - 2. No more than eight (8) hours per day for a period not to exceed four (4) weeks during a twelve (12) month period.
- b. A facility operated by a religious institution where children are cared for no more than three (3) hours while the ~~children's parents~~ children's parents, guardians, or caregivers are attending religious services.

- c. A private home (private residence) in which the licensee or registrant permanently resides as a member of the household, which residency shall not be contingent upon caring for children or employment by a licensed or approved child placing agency, including: a full-time foster family home, a full-time foster family group home, a group day care home, or a family day care home.

~~(2)~~**(3)** *Day Care Home, Family*: A private home in which the operator permanently resides as a member of the household in which at least one (1) but less than seven (7) minor children or adults requiring care are received for care and supervision for periods of less than twenty-four (24) hours a day, unattended by a parent or legal guardian, except children or adults requiring care related to an adult member of the family by blood, marriage, or adoption. Family day care home includes a home that gives care to an unrelated minor child or adult requiring care for more than four (4) weeks during a calendar year.

~~(3)~~**(4)** *Day Care Home, Group*: A private home in which the operator permanently resides as a member of the household in which more than six (6) but not more than twelve (12) minor children or adults requiring care are given care and supervision for periods of less than twenty-four (24) hours a day unattended by a parent or legal guardian, except children related to an adult member of the family by blood, marriage, or adoption. Group day care home includes a home that gives care to more than six (6) unrelated minor children or adults requiring care for more than four (4) weeks during a calendar year.

~~(4)~~**(5)** *Deck*: A platform constructed of wood or similar materials, either freestanding or attached to a structure that is commonly used for outdoor leisure activities.

~~(5)~~**(6)** *Dedicated Open Space*: Open land that is permanently set aside for protection in an undeveloped or very-limited developed state.

~~(6)~~**(7)** *Dedication*: The transfer of property interests from one private party to another private or to public ownership for a public purpose. The transfer may be of fee-simple interest or of less than fee interest, including an easement.

~~(7)~~**(8)** *Demolition*: Any act or process, whether natural or human, that destroys or razes a building or structure or portion thereof.

~~(8)~~ *Density*: ~~The number of dwelling units or lots (LOTS) situated on or to be developed per lot area, excluding right of ways.~~

(9) *Deed Restriction*: A restriction of use or development that is set forth in an instrument recorded with the Register of Deeds. It is binding on subsequent owners and is sometimes also known as a restrictive covenant.

(10) *Department of Agriculture & Rural Development*: The Michigan Department of Agriculture and Rural Development, previously known as the Michigan Department of Agriculture. Also known as MDARD.

(11) *Department of Environmental Quality*: The Michigan Department of Environmental Quality. Also known as MDEQ.

(12) *Department of Natural Resources*: The Michigan Department of Natural Resources. Also known as MDNR.

~~(13)~~ *Design Standards*: ~~A set of standards regarding the appearance and quality of new developments, including, but not limited to: building materials, landscaping, signs, lighting, and overall site layout.~~

- ~~(14)~~**(13)** *Detention Basin or Pond*: A man-made or natural water ~~collection facility~~pond, pool, basin, or depression designed and used to collect surface water in order to impede its flow and to release the water gradually, ~~at a rate not greater than that prior to the development of the property,~~ into natural or man-made outlets. ~~-A detention basin may -or may not have a permanent pool of water drain completely after a storm event or may be a pond with a fixed, minimum water elevation between storm events. See also "Stormwater Management System."~~
- ~~(15)~~**(14)** *Development*: The construction of a new building or structure, the relocation of an existing building or structure, or the use of open land for a new use.
- ~~(16)~~**(15)** *Development Agreement*: A document that sets forth the terms and conditions under which a development shall be constructed, implemented, and maintained.
- ~~(17)~~**(16)** *Developmental-Standard Variance*: Permission to depart from the strict application of a developmental standard of this Ordinance. Also known as a non-use variance.
- ~~(18)~~**(17)** *Director of Planning & Zoning*: The authorized person charged with the responsibility of administering and enforcing this Ordinance and appointed by the Township Board.
- ~~(19)~~**(18)** *Discharge*: Any addition or introduction of any pollutant, storm water, or any other substance into the storm water system, groundwater, or off-site.
- ~~(20)~~**(19)** *District*: See "Zoning District."
- ~~(21)~~**(20)** *Disturbed Area*: An extent of the area of land subject to development through clearing of all or a portion of vegetation, grading, or excavation.
- ~~(22)~~**(21)** *Divide or Division*: The partitioning or splitting of a parcel of land for the purpose of sale or lease of more than one year, or for the building development that results in one or more parcels of less than forty (40) acres or the equivalent. It does not include a property transfer between two or more adjacent lots, if the property taken from one parcel is added to an adjacent parcel.
- ~~(23)~~**(22)** *Dock*: A structure built over or floating upon a surface water body and used or intended for use as a landing place for watercraft, fishing, swimming, and other recreational uses and for access to a surface water body or adjacent watercraft.
- ~~(24)~~**(23)** *Drainage*: ~~The collection, conveyance, or discharge of ground water and/or surface water. The removal of surface water or groundwater from land by drains, grading, or other means. Drainage includes the control of runoff to minimize erosion and sedimentation during and after development and includes the means necessary to preserve the water supply or to prevent or alleviate flooding. The outflow of water or other fluid from a site or lot, whether by natural or artificial means.~~
- ~~(25)~~ *Drainage System*: ~~The area within which surface water or groundwater is carried from one part of a site to another part of the site or to adjacent land, including all facilities, areas, and structures that serve to convey, catch, hold, filter, store, and/or receive storm water, either on a temporary or permanent basis.~~
- ~~(26)~~**(24)** *Drive-In or Drive-Through Establishment*: An establishment that by design, physical facilities, service, or by packaging procedures encourages or permits customers to receive services, obtain goods, or be entertained while remaining in their motor vehicles.

~~(27)~~(25) *Driveway*: A means of access for vehicles from a street, alley, or approved access easement across a lot to a parking or loading area, garage, dwelling, or other structure or area on the lot.

- a. *Commercial Driveway*: A driveway that serves multiple-unit dwellings, commercial uses, and institutional uses.
- b. *Residential Driveway*: A driveway that serves single-family, two-family, and accessory dwelling units.
- c. *Shared Driveway*: A driveway described by a recorded easement that provides access to more than one (1) lot ~~but no more than four (4) lots.~~

~~(28)~~(26) *Driving Range*: A limited area on which golfers drive golf balls from a central ~~tee~~teebox, which may also include a practice putting green.

~~(27)~~ *Duplex*: See “Dwelling: Two-Family Dwelling.”

~~(29)~~(28) *Dusk*: The nearest half hour or hour preceding sunset.

~~(30)~~(29) *Dwelling*: Any building, or portion thereof, which is designed or used exclusively as a residence. In no case shall a motor home, trailer coach, recreational vehicle, automobile chassis, tent, or portable building be considered a dwelling. The following words, terms, and phrases related to dwellings shall have the following meanings:

- a. *Accessory Dwelling*: An accessory dwelling is an area associated with a single-family dwelling that provides supplementary housing -containing provisions for living, sleeping, and cooking. An accessory dwelling shall not be considered a separate dwelling unit. Also known as a guest apartment, accessory apartment, granny flat, or in-law apartment.
- b. *Dwelling Unit*: One or more rooms with a bathroom and kitchen facilities designed as a self-contained unit for occupancy for living, cooking, sleeping, and sanitation purposes.
- c. *Multiple-Family Dwelling*: A building containing three (3) or more dwelling units designed for residential use for three (3) or more families living independently of each other.
- d. *Single-family Dwelling*: A detached building, or portion thereof, designed and used exclusively as the home, residence, or sleeping place of one (1) family. In the case of a mixed occupancy, where a building is occupied in part as a dwelling, the part so occupied shall be considered a dwelling for purposes of this Ordinance.
- e. *Two-family Dwelling*: A building containing two (2) separate dwelling units designed for residential use. This shall not include a single-family dwelling with an accessory dwelling.

(E) Definitions of Words & Phrases Starting with “E”: The following words and phrases shall have the meanings described below.

~~(1)~~ *Easement*: A use granted for limited use of land for a public, quasi-public, or private purpose and within which the owner of the property shall not restrict the granted use.

~~(1)~~(2) *Easement, Access*: An easement that allows a party or parties access or travel across property owned by another party or parties to access or reach another location, property, or place.

~~(2)~~(3) *Egress*: See “Access.”

~~(3)~~(4) *Electrical Distribution Lines*: Electrical power lines that carry electricity from a substation to local neighborhoods.

- ~~(4)~~(5) *Electrical Transmission Lines*: Electrical power lines, generally mounted on towers or, that ~~carry~~ convey electricity from power plants to substations or between substations.
- ~~(5)~~(6) *Employee*: Any person employed or hired, directly or as a contractor, by a firm, business, educational institution, nonprofit agency, corporation, government agency, or other entity, whether or not remuneration is paid or received.
- ~~(6)~~(7) *Encroachment*: An intrusion upon the property of another, a right-of-way, or easement, without permission.
- ~~(7)~~(8) *Entrepreneurial Kitchen*: Use of a commercial kitchen by a party other than the tenants for production of food products to be marketed, sold, and consumed off-site.
- ~~(8)~~(9) *Environmental Health Department*: The Washtenaw County Environmental Health Department.
- ~~(9)~~(10) *Environmental Impact*: A beneficial or detrimental effect on the environment, including, but not limited to: significant changes in an area's air, water, and land resources.
- ~~(10)~~(11) *Environmental Impact Statement*: A statement describing the effect of a proposed development on the environment.
- ~~(11)~~(12) *Erected*: The word "erected" means built, constructed, reconstructed, moved upon, or any physical activity upon a site required for a structure. Excavation, fill, drainage, and the like, shall be considered a part of erection when done in conjunction with a structure.
- ~~(12)~~(13) *Erosion or Soil Erosion*. The process by which the ground surface is worn away by action of wind, water, gravity, or a combination thereof.
- ~~(13)~~(14) *Essential Services*: The erection, construction, alteration, or maintenance by public utilities or municipal departments of underground, surface, or overhead gas, communication, telephone, electrical, steam, fuel, or water transmission or distribution systems, collection, supply, or disposal systems, including poles, wires, mains, drains, sewers, pipes, conduits, cables, fire alarm and police call boxes, traffic signals, fire hydrants, warning sirens, and similar accessories that are necessary for the furnishing of adequate service by such utilities or municipal departments for the general public health, safety, convenience, or welfare, but not including towers, office buildings, substations, gate valve stations, structures that are enclosures, shelters for service equipment, maintenance depots, or the outside storage of pipes, cables, transformers, poles, and similar utility equipment or materials.
- ~~(14)~~(15) *Ex-Parte* ~~parte~~ *Contact*: Any communication between a party and a member of a public body with responsibility for making a decision that occurs outside the formal decision-making process and without the knowledge of other parties or other members of the public body.
- ~~(15)~~(16) *Excavation*: Any breaking of ground, except common household gardening, general farming and ground care. The phrase "general farming" shall not be interpreted to include the removal of soil, minerals, or other material for the purposes of creating a pond or other surface water body.
- ~~(16)~~(17) *Extraction Operation*: The removal, extraction, or mining of sand, gravel, or similar material for off-site use. See also "Mining" and "Mining, Non-ferrous Metallic."

(F) *Definitions of Words & Phrases Starting with “GF”*: The following words and phrases shall have the meanings described below.

(1) *Façade*: The exterior elevation of a building or structure, as viewed from outside the building or structure.

(2) *Fall Zone*: An area around a tower in which a tower could collapse and fall.

(3) *Family*: Family shall mean one (1) of the following:

- a. An individual or group of two (2) or more persons related by blood, marriage, or adoption, including foster children and domestic employees, together with not more than two (2) additional persons not related by blood, marriage, or adoption, living together as a single housekeeping unit in a dwelling unit, or
- b. A collective number of individuals domiciled together in one (1) dwelling unit whose relationship is of a continuing non-transient domestic character and who are cooking and living as a single, nonprofit housekeeping unit. This definition shall not include any society, club, fraternity, sorority, association, lodge, coterie, organization, group of students, or other individuals whose domestic relationship is of a transitory or seasonal nature or for an anticipated limited duration of a school term or terms or other similar determinable period or to licensed and approved foster care facilities.

~~The above definition shall not apply in instances of group care centers or state licensed residential facilities, as established under Public Act 395 of 1976.~~

(4) *Family Day Care Home*: See “Day Care Home, Family.”

(5) *Farm*: Land, plants, animals, buildings, structures, including ponds used for agricultural or aquacultural activities, machinery, equipment, and other appurtenances used in the commercial production of farm products.

(6) *Farm Operation*: The operation and management of a farm or a condition or activity that occurs at any time as necessary on a farm in connection with the commercial production, harvesting, and storage of farm products, and includes, but is not limited to:

- a. Marketing produce at roadside stands or farm markets;
- b. The generation of noise, odors, dust, fumes, and other associated conditions;
- c. The operation of machinery and equipment necessary for a farm including, but not limited to, irrigation and drainage systems and pumps and on-farm grain dryers, and the movement of vehicles, machinery, equipment, and farm products and associated inputs necessary for farm operations on the roadway as authorized by the Michigan Vehicle Code, Public Act 300 of 1949, MCL 257.1 to 257.923
- d. Field preparation and ground and aerial seeding and spraying;
- e. The application of chemical fertilizers or organic materials, conditioners, liming materials, or pesticides;
- f. Use of alternative pest management techniques;
- g. The fencing, feeding, watering, sheltering, transportation, treatment, use, handling and care of farm animals;

- h. The management, storage, transport, utilization, and application of farm by-products, including manure or agricultural wastes.
 - i. The conversion from a farm operation activity to other farm operation activities.
 - j. The employment and use of labor.
- (7) *Farm Labor Housing*: Facilities used as living quarters for five (5) or more migratory laborers engaged in agricultural activities, including related food processing.
- (8) *Farm Product*: Those plants and animals useful to human beings produced by agriculture and includes, but is not limited to: forages and sod crops, grains and feed crops, field crops, dairy and dairy products, poultry and poultry products, cervidae, livestock, including breeding and grazing, equine, fish, and other aquacultural products, bees and bee products, berries, herbs, fruits, vegetables, flowers, seeds, grasses, nursery stock, trees and tree products, mushrooms, and other similar products, or any other product which incorporates the use of food, feed, fiber, or fur, as determined by the Michigan commission of agriculture. The phrase “farm product” shall not be interpreted to include the commercial slaughtering of farm animals.
- (9) *Fence Definitions*: An accessory structure artificially constructed to serve as an obscuring screen, physical barrier, and/or decorative landscape element. The following words, terms, and phrases related to fences shall have the following meanings:
- a. *Agricultural Fence*: A fence erected to enclose an area of land used for [commercial](#) agricultural purposes.
 - b. *Athletic Fence*: A fence erected to enclose an athletic field or court.
 - c. *Fence Height*: The vertical distance between the lowest adjacent grade and the topmost portion of the fence, excluding fence posts.
- (10) *Filling*: The depositing or dumping of any matter into or onto the ground.
- (11) *Fire Department*: The Dexter Area Fire Department.
- (12) *Fire Hydrant*: A hydrant for drawing water to fight fires, whether pressurized or a dry hydrant.
- (13) *Flagpole*: A structure used for the sole purpose of displaying flags.
- (14) *Floor Area, Gross*: The sum of all gross horizontal areas of all floors of a building or buildings, measured from the outside dimensions of the building’s facades. Unenclosed and uncovered porches, court yards, or patios shall not be considered as part of the gross floor area except where they are used for commercial purposes.
- (15) *Floor Area, Useable*: The area used for the sale of merchandise or services or to serve patrons, clients, or customers. Floor area that is used, or intended to be used, principally for the storage or processing of merchandise, hallways, stairways, elevator shafts, restrooms, or janitorial service rooms, shall be excluded from the usable floor area. Usable floor area shall be measured from the interior faces of the exterior walls, and total usable floor area for a building shall include the sum of the usable floor area for all floors.
- (16) *Food Cart*: A motor vehicle, cart, or trailer used for the preparation and/or sale of ready-to consume foods and beverages.
- (17) *Footing*: That portion of the foundation of a structure which spreads and transmits loads directly to the soil or the pilings.

- (18) *Foster Care Facility*: An establishment which provides supervision, assistance, protection, or personal care, in addition to room and board, to persons. A foster care facility does not include a nursing home, licensed under [MCL 333.1101 et seq](#) (Public Act ~~139-368~~ of ~~1956~~1979), or a mental hospital for mental patients, licensed under [MCL 330.1001 et seq](#) (Public Act ~~151-258~~ of ~~1923~~1974).
- a. *Family Home*: A [foster care](#) facility ~~which that~~ provides foster care to six (6) or fewer persons.
 - b. *Group Home*: A [foster care](#) facility ~~which that~~ provides foster care to seven (7) or more persons.
- (19) *Foundation*: The supporting substructure of a building or other structure, including, but not limited to: basements, slabs, rat walls, sills, posts, or frost walls.
- (20) *Fraternal Organization*: See “Club.”
- (21) *Freedom Drain*: See “French Drain.”
- (22) *French Drain*: A below-ground drain consisting of a perforated pipe in a trench filled with gravel to permit movement of water through the gravel and into the ground.
- (23) *Frontage*: The total continuous length of the line separating a lot from the right-of-way or access easements and frequently identical to the front lot line. In the case of waterfront lots, the term frontage shall also apply to the total continuous length of the ordinary high-water mark, excluding manmade alterations. (See [also](#) “Lot Line, Front.”)
- (24) *Fumes*: Minute solid particles generated by the condensation of vapors from solid matter after coagulation from the molten state or generated by sublimation, distillation, calcination, or chemical reaction, when these processes create airborne particles.
- (25) *Funeral Home*: A building used for the preparation of the deceased for burial, display of the deceased, and for rituals associated with burial or cremation.
- (G) *Definitions of Words & Phrases Starting with “G”*: The following words and phrases shall have the meanings described below.
- (1) *Garage*: An accessory building or a portion of a principal building designed or used primarily for the storage of motor vehicles, watercraft, recreational vehicles, similar vehicles, and other property owned and used by the occupants of the building to which it is accessory.
 - (2) *Gated Community*: A development, whether consisting of single-family, two-family, or multiple-unit dwellings or accessory uses, that are enclosed within a geographical area by restrictive gates at all or some of the entrances.
 - (3) *Gated Entrance*: An entrance to a gated community at which a gate, crossbar, door, or other obstructive device is used for the purpose of restricting, controlling, or obstructing access by motor vehicles or pedestrians to or from a street.
 - (4) *Gazebo*: A roofed structure that offers an open view of the surrounding area.
 - (5) *General Development Plan*: See “Master Plan.”
 - (6) *Golf Course*: A facility where the game of golf is played, including customary accessory uses and buildings, such as, but not limited to: club house, locker rooms, maintenance and administrative facilities, and country club.

- (7) *Grade Definitions*: The following words, terms, and phrases related to grade shall have the following meanings:
- a. *Average Grade*: A reference plane representing the average of the level of the ground adjoining a building along all exterior walls.
 - b. *Finished Grade*: The elevation of the ground surface upon completion of construction activities.
 - c. *Grading*: Any stripping, cutting, digging, excavation, filling, or stockpiling of soil or any combination thereof.
 - d. *Natural Grade*: The elevation of the ground surface in its natural state, before man-made alterations.
 - e. *Rough Grade*: The stage at which the grade approximately conforms to the approved plan.
- (8) *Greenhouse*: A structure having a roof and/or walls of glass or similar material for the protection or propagation of plants.
- (9) *Group Day Care Home*: See “Day Care Home, Group.”
- (H) *Definitions of Words & Phrases Starting with “H”*: The following words and phrases shall have the meanings described below.
- (1) *Habitable Room*: A room capable of being lived in for any time, as defined in the Building Code.
 - (2) *Hazardous Material*: A substance that, because of its quantity or concentration, or physical, chemical, or infectious characteristics, may cause or significantly contribute to an increase in mortality or an increase in serious irreversible or incapacitating reversible illness or may pose hazard to human health or to the environment when improperly used, handled, treated, stored, transported, disposed of, or otherwise managed.
 - (3) *Height*: See “Building Height” and “Fence: Fence Height.” See the structure type for the height definition for ~~that other~~ structures.
 - (4) *Heliport, Private*: An airfield for the operation of helicopters for the personal use of the property owner with no public or commercial use.
 - (5) *Home Occupation*: An occupation, profession, activity, or use carried on in a dwelling or residential property by the resident that is clearly a secondary and incidental use of the property that does not affect the residential character of the neighborhood.
 - (6) *Homeowners’ Association*: A non-profit, community association that is organized in a development in which individual owners share common interests and responsibilities for open space, landscaping, or facilities.
 - (7) *Hoop House*: An unheated greenhouse with light, ridged framing and light-weight covering. Also known as a polytunnel.
 - (8) *Horse*: Mule, burro, pony, jack, hinny, and all other members of the genus equus.
 - (9) *Hotel*: See “Motel.”
 - (10) *Household Pets*: Animals that are customarily kept for personal use or enjoyment within the home. Household pets include, but are not limited to, the following: domestic dogs, domestic cats, domestic tropical birds, domestic tropical fish, and domestic rodents, but exclude poisonous or constrictive snakes and animals that are considered livestock or wild animals.

(I) **Definitions of Words & Phrases Starting with “I”:** The following words and phrases shall have the meanings described below.

- (1) **Impervious Surface:** Any surface that cannot be effectively and easily penetrated by water, thereby resulting in runoff. Examples include, but are not limited to: lot building coverage, roof overhangs, and any material (asphalt, concrete, stone, gravel, etcetera) used in roads, driveways, decks, terraces, patios, porches, ~~or sidewalks,~~ or other structures that cannot be effectively and easily penetrated by water. The definition of an impervious surface shall exclude ~~roads, driveways, and sidewalks~~ materials that are designed, installed, and maintained that are composed of materials that will to allow for the infiltration of a majority of the water to hit that water and prevent runoff, such as wooden decks, permeable pavers, permeable pavement, or crushed stone or pea stone without binding. ~~The definition of an impervious surface shall also exclude decks, terraces, patios, or porches that are composed of pervious materials and/or designed to allow for infiltration and underlain with materials that will allow infiltration and prevent runoff.~~ Swimming pools and ponds shall not be ~~classified~~ considered as an impervious surfaces. See also “Pervious Surface.”
- (2) **Impervious Area:** The percentage of the lot area that is covered by impervious surfaces.
- (3) **Ingress & Egress:** See “Access.”
- (4) **Inoperable Motor Vehicle:** See “Motor Vehicle, Inoperable.”
- (5) **Interpretation:** An appeal to the Zoning Board of Appeals requesting a clarification of the text of this Ordinance where the meaning is unclear or there may be multiple meanings or of the Zoning Map where the actual boundary is unclear.

(J) **Definitions of Words & Phrases Starting with “J”:** The following words and phrases shall have the meanings described below.

- (1) **Junk:** Any motor vehicle, recreational vehicle, watercraft, trailer, machinery, appliance, product, or merchandise with parts missing, or scrap metals or other trash, rubbish, refuse, paper, building materials and equipment, bottles, glass, appliances, furniture, beds and bedding, rags, rubber, plastic, cordage or scrap materials that are damaged or deteriorated whether or not the same could be put to any reasonable use, except ~~if when stored within~~ a completely enclosed building. Junk includes any inoperable motor vehicle ~~or,~~ recreational vehicle, watercraft, or trailer.
- (2) **Junkyard:** ~~Any land or building~~ A facility used for one (1) or more of the following:
 - a. The abandonment, storage, keeping, collecting, or baling of paper, rags, scrap metals, or other scrap or discarded materials; or
 - b. The abandonment, demolition, dismantling, storage or salvaging of machinery, automobiles or other vehicles not in normal running conditions, or parts thereof.

(K) **Definitions of Words & Phrases Starting with “K”:** The following words and phrases shall have the meanings described below.

- (1) **Keeping of Animals:** The keeping of any animal, other than a household pet or commercial livestock, in captivity either indoors or outdoors.
- (2) **Kennel, Commercial:** A facility at which three (3) or more dogs, cats, or other domestic pets, six (6) months of age or older, are kept, either permanently or temporarily, for the purposes of breeding, boarding, training, sale, or transfer.

- (3) *Kennel, Hobby*: A facility at which no more than two (2) dogs, cats, or other domestic pets, six (6) months of age or older, are kept, either permanently or temporarily, for the purposes of breeding, boarding, training, sale, or transfer.

(L) *Definitions of Words & Phrases starting with "L"*: The following words and phrases shall have the meanings described below.

- (1) *Lake*: A permanent surface waterbody that is at least five (5) acres in size.
- (2) *Land Division Act*: The Michigan Land Division Act, Public Act 288 of 1967, MCL 560.101 et seq).
- (3) *Landing Strip, Private*: An airfield used for agricultural crop dusting or personal use of the property owner but with no other public or commercial use.
- (4) *Landscaping*: The treatment of the ground surface with live plant materials, natural materials, structural features, water features, and grading for the purposes of blending the site with the surroundings or providing a buffer with adjacent lots or uses.
- (5) *Landscaping Plan*: A plan showing landscaping elements to be installed or preserved, existing landscaping to be removed, and any clearing.
- (6) *Licensed Architect*: An architect licensed by the State of Michigan.
- (7) *Lighting*: The following words, terms, and phrases related to lighting shall have the following meanings:
- a. *Cut-Off Angle*: The maximum angle formed by a line drawn in the direction of emitted light rays at the light source and a line perpendicular to the ground from the light source.
 - b. *Direct Light*: Light emitted directly by a lamp, off a reflector, or through a refractor of a luminaire.
 - c. *Fixture, Full Cutoff*: A luminaire that allows no direct light emissions above a horizontal plane through the luminaire's lowest light-emitting part.
 - d. *Flood or Spot Light*: Any light fixture or lamp that incorporates a reflector or refractor to concentrate the light output into a directed beam in a particular direction.
 - e. *Foot Candle*: A unit of illumination produced on a surface, all points of which are one (1) foot from a uniform point source of one (1) candle.
 - f. *Full Cutoff Shielding*: A light fixture that cuts off all upward transmission of light and emits light projected below an imaginary plane passing through the fixture below the light source.
 - g. *Glare*: The brightness of a light source which causes eye discomfort.
 - h. *Lamp*: The component of a luminaire that produces the actual light, including luminous tube lighting.
 - i. *Light Fixture*: The assembly that holds a lamp and may include an assembly housing mounting bracket or pole socket, lamp holder, ballast, reflector or mirror, and a refractor or lens for outdoor use or illumination. A light fixture also includes the assembly for luminous tube and fluorescent lighting.
 - j. *Lighting Plan*: A plan showing the location of light fixtures and the intensity of the light within a site and at the lot lines.

- k. *Light Shield*: Any attachment that interrupts and blocks the path of light emitted from a luminaire or fixture.
- l. *Light Source*: The primary source of a lighting fixture from which light is emitted, such as a light bulb or similar source.
- m. *Lumen*: A unit of measurement of luminous flux.
- ~~n. *Luminaire, Permanent Outdoor*: Any fixed luminaire or system of luminaires that is outdoors and is intended to be used for at least seven (7) days.~~
- ~~o. *Luminous Tube Lighting*: Gas-filled tubing that, when subjected to high voltage, becomes luminescent in a color characteristic of the particular gas used.~~
- ~~p. *Non-parabolic Light*: A bulb or fixture that is not designed to direct light in a specific direction.~~
- ~~q. *Outdoor Protection Lighting*: A lighting fixture, generally installed by a utility company on a utility pole, that provides exterior illumination and is generally activated from dusk to dawn.~~
- ~~r. *Shielded Fixture*: Outdoor light fixtures shielded or constructed so that light rays emitted by the fixture are projected below the horizontal plane passing through the lowest point on the fixture from which light is emitted.~~
- ~~s. *Shielding*: A permanently installed, non-translucent shade, baffle, or other construction, that limits, restricts, or directs light to meet the standards of this Ordinance.~~
- ~~t. *Street Lighting*: Permanent outdoor light fixtures that are specifically intended to illuminate roadways for motor vehicles.~~
- (8) *Livestock*: Those species of animals used for human food and fiber or those species of animals used for service to humans. Livestock includes, but is not limited to, cattle, sheep, new world camelids, goats, bison, cervids, swine, equine, poultry, aquaculture, and rabbits. Livestock does not include household pets or wild animals.
- (9) *Loading Space*: An off-street space for the temporary parking of a commercial motor vehicle while loading or unloading.
- (10) *Lodges & Private Clubs*: See “Clubs.”
- (11) *Lot*: Land described in a recorded plat or by metes and bounds description, or combination thereof, including a site condominium unit. A lot may consist of:
- A single lot of record;
 - A portion of a lot of record; or
 - Any combination of complete and/or portions of lots of record or parcels described by metes and bounds, contiguous to each other, or separated by not more than the width of a public road, or a private road or easement over which the owner of the parcels has access.
- (12) *Lot Area*: The total horizontal area within the lot lines of a lot, excluding any street right-of-way or road easement, shared driveway easement, other permanent access easements-, bottomlands, and wetlands within the lot.
- (13) *Lot, Common Use Access*: A lot that provides access to a surface water body for more than two (2) dwelling units not located on that lot. The access may or may not include mooring of watercraft.

~~(12)~~(14) *Lot, Common Use:* A lot that other lots have added or dedicated right to use. Also known as common area.

(15) *Lot, Contiguous:* Lots adjoining each other.

Figure 35.10(L)(15): Contiguous Lot (ADD NEW GRAPHIC)

(16) *Lot, Corner:* Any lot having at least two (2) adjacent sides abutting upon one or more streets, provided that the interior angle at the intersection of such two sides is less than one hundred thirty-five (135) degrees. A lot abutting a curved street(s) shall be a corner lot if the arc has a radius less than one hundred and fifty (150) feet.

Figure 35.10(L)(16): Corner Lot (ADD NEW GRAPHIC)

(17) *Lot Depth:* The average distance from the front-lot line of the lot to its opposite rear line measured, or the opposite front-lot line for through lots, in the general direction of the side lot lines.

Figure 35.10(L)(17): Lot Depth (ADD NEW GRAPHIC)

(18) *Lot, Flag:* A lot whose access to a street is by a narrow, private right-of-way that is either a part of the lot or an easement across another property and does not meet the frontage standards of the district in which it is located.

Figure 35.10(L)(18): Flag Lot (ADD NEW GRAPHIC)

(19) *Lot Frontage:* The length of the front-lot line.

Figure 35.10(L)(19): Lot Frontage (ADD NEW GRAPHIC)

(20) *Lot, Interior:* A lot other than a corner lot which, with the exception of a “through lot,” has only one (1) lot line fronting on a street.

Figure 35.10(L)(20): Interior Lot (ADD NEW GRAPHIC)

~~(13)~~(21) Lot Lines: The lines bounding a lot. The following words, terms, and phrases related to lot lines shall have the following meanings:

- a. *Lot Line, Front*: The line(s) separating the lot from any street right-of-way, private road, or other access easement. Corner lots and through lots shall have two (2) front lot lines.
- b. *Lot Line, Rear*: The lot line opposite and most distant from the front lot line, except in the case of a waterfront lot or through lot, which shall not have a rear lot line. This shall also apply to a lot lines that that is adjacent to a platted alley or walkway, as the context so indicates. In the case of a triangular or otherwise irregularly shaped lot or parcel, an imaginary line at least ten (10) feet in length entirely within the lot or parcel, parallel to and at a maximum distance from the front lot line.
- c. *Lot Line, Side*: Any lot line other than a front or rear lot line, including a lot line adjacent to a platted walkway, as the context so indicates.
- d. *Lot Line, Waterfront*: The lot line separating a lot and a surface water body or the ordinary high-water mark for lots that extend into a surface water body.

Figure 35.10(L)(20): Lot Lines (ADD NEW GRAPHIC)

~~(14)~~(22) Lot of Record: A lot that is part of a subdivision and is shown on a map thereof which has been recorded in the Register of Deeds, a lot described by metes and bounds, or a site condominium unit that was lawfully created in accordance with applicable statutes and ordinances.

~~(15)~~(23) Lot, Through: An interior lot having frontage on two (2) relatively parallel streets.

~~(16)~~(24) Lot, Waterfront: A lot that contains or is contiguous with a surface waterbody. This shall include lots that function as if they are a waterfront lot even though there may be a narrow strip of land between the waterbody and lot.

~~(17)~~(25) Lot Width: The horizontal distance between the side lot lines at a distance equal to the front-yard setback.

~~(18)~~(26) Lot Width, Minimum: The minimum required lot width.

(M)Definitions of Words & Phrases Starting with “M”: The following words and phrases shall have the meanings described below.

- (1) *Manufactured Housing*: A dwelling unit which is designed for long-term residential use and is wholly or substantially constructed at an off-site location. Manufactured housing includes mobile homes and modular housing units.

- (2) *Marina*: A waterbody lot that is used for one or more of the following activities:
- a. Commercial launching or docking of watercraft;
 - b. Commercial storage of water craft;
 - c. Commercial servicing or repair of watercraft; or
 - d. Sales and rental of watercraft.
- ~~(3) *Marquee*: A permanent, roof-like structure projecting beyond a building or extending along and projecting beyond the facade, generally designed and constructed to provide protection from the weather and for use as a sign.~~
- ~~(4)~~(3) *Master Plan*: The Dexter Township Master Plan.
- ~~(5)~~(4) *Mining*: The commercial mining or extraction of minerals or other materials from the ground.
- ~~(6)~~(5) *Mining, Non-Ferrous Metallic*: The commercial mining or extraction of metals that do not contain iron.
- ~~(7)~~(6) *Mixed-Use Development*: A development that integrates a variety of uses on the same site or within the same building.
- ~~(8)~~(7) *Mobile Home*: A structure, transportable in one or more sections that is built on a chassis and designed to be used as a dwelling with or without permanent foundation, when connected to the required utilities, and includes the plumbing, heating, air-conditioning, and electrical systems contained in the structure. The term mobile home shall not include pick-up campers, travel trailers, motor homes, modular housing unit, recreational vehicles, converted buses, tent trailers, or other transportable structures designed for temporary use.
- ~~(9)~~(8) *Mobile Home Park*: A lot under the control of a single person upon which three (3) or more mobile homes are located on a continual, non-recreational basis and which is offered to the public for that purpose regardless of whether or not for remuneration, together with any building, structure, enclosure, street, equipment, or facility used or intended for use accessory to the occupancy of a mobile home.
- ~~(10)~~(9) *Mobile Home Site*: The area within a mobile home park designed and designated for use by one (1) mobile home.
- ~~(11)~~(10) *Model Home*: A dwelling temporarily used as an office or show house for a residential development that is under construction for on-site sales.
- ~~(12)~~(11) *Modular Housing Unit*: A dwelling unit constructed solely within a factory, as a single unit or in various sized modules or components that are then transported by truck or other means to a site where they are assembled on a permanent foundation to form a single-family dwelling unit, and meeting all codes and regulations applicable to conventional single-family home construction.
- ~~(13)~~(12) *Moratorium*: A temporary halting or severe restriction on specified developmental activities or uses to allow the Township the necessary time to change policies and adopt or amend Ordinances to best protect and serve the health, safety, and welfare of the community.
- ~~(14)~~(13) *Mosque*: See “Religious Institution.”

~~(15)~~(14) *Motel*: A building or group of buildings used as individual sleeping or dwelling units designed primarily for transient use. The term shall include buildings designated as hotels, auto courts, tourist courts, motor courts, motor hotel, and similar uses that are designed as integrated units of individual rooms under common ownership. A motel shall not be considered or construed to be a multiple-unit dwelling.

~~(16)~~(15) *Motor Vehicle*: Unless specifically indicated otherwise, any vehicle including, by way of example, cars, trucks, vans, motorcycles, mopeds, and the like, that are intended to move under their own power. See also MCL 257.33 (Public 300 of 1949).

~~(17)~~(16) *Motor Vehicle, Inoperable*: Any vehicle requiring a license ~~from in order to operate upon the highways, waterways, or lands of the State of Michigan~~ the state of Michigan that is not licensed for use upon the highways, waterways, or lands of the State of Michigan for a period of at least of thirty (30) days and shall also include, whether so licensed or not, any vehicle which is mechanically inoperable for any reason for a period of at least thirty (30) days, except where such vehicle is in a completely enclosed building.

~~(18)~~(17) *Motor Vehicle Service Station*: A facility for the primary purpose of the retail sales of gasoline, oil, grease, batteries, tires, and other operational fluids and accessories for motor vehicles, and other accessory retail sales.

~~(19)~~(18) *Motor Vehicle Repair or Maintenance*: A facility for the primary purpose of the retail sales of oil, grease, batteries, tires, and other operational fluids and accessories for motor vehicles, the installation of such items, and for other mechanical motor vehicle repair, not including body work or painting, dismantling of vehicles for the purpose of reuse or resale of parts, or storage of automobiles other than those in for immediate repair.

~~(20)~~(19) *Motor Vehicle Sales*: A facility used primarily for the sale of new and/or used motor vehicles, including the outside storage of motor vehicles or recreational vehicles for sale.

~~(21)~~(20) *Multiple-unit Dwelling*: See “Dwelling, Multiple-unit.”

~~(22)~~(21) *Municipal Civil Infraction*: An act or omission that is prohibited by Township Ordinance, but that is not a criminal offense, and for which civil sanctions, including, without limitation: fines, damages, expenses, and costs may be ordered, as authorized by Chapter 87 of Public Act 236 of 1961.

(N) *Definitions of Words & Phrases Starting with “N”*: The following words and phrases shall have the meanings described below.

(1) *Native Species*: A plant or animal that is indigenous to the area.

(2) *Natural Features*: Features of a site, including, but not limited to, soils, wetlands, floodplains, surface water bodies, topography, trees, woodlands, and other types of vegetative cover, wild animals, endangered species habitat, and geology and geologic formations.

(3) *Net Area*: See “Area, Net.”

(4) *Noise*: A loud or unpleasant sound.

(5) *Noise Disturbance*: Any sound that endangers or injures the safety, health, or welfare of a reasonable person with normal sensitivities.

(6) *Nonconforming (Illegal)*: A structure, lot, site, or use, or portion thereof, that did not meet the standards of a zoning ordinance in effect at the time it was created or begun and that does not meet the standards of the current Zoning Ordinance. Also known as illegal.

- (7) *Nonconforming, Legally*: A structure, lot, site, or use, or portion thereof, lawfully existing at the time of adoption of a zoning ordinance or subsequent amendment thereto, that does not meet the standards of the current Zoning Ordinance.
- (8) *Nuisance Per Se or Nuisance*: A “nuisance per se” is an act, use, thing, structure, or occupation which when it exists in violation of a provision of this Ordinance is declared by this Ordinance and the Zoning Enabling Act to be a nuisance at all times and in all conditions, regardless of location, circumstance, or surroundings. A “nuisance per se” is distinguished from a “nuisance” which is an act, use, thing, structure, or occupation which annoys, disturbs, or gives offense because of its condition, time, location, circumstance or surrounding. A “nuisance per se” is subject to abatement by order of a circuit court, in addition to civil infraction and misdemeanor penalties and fines.

(O) Definitions of Words & Phrases Starting with “O”: The following words and phrases shall have the meanings described below.

- (1) *Occupancy, Change of*: The term “change of occupancy” or “change of use” shall mean a discontinuance of an existing use and the substitution of a use of a similar or different kind or class or the expansion of a use.
- (2) *Occupied*: Used in any manner at the time in question.
- (3) *Offset*: The distance between the centerlines of driveways or streets across the street from one another.
- (4) *Off-Street Parking Area*: See “Parking: Off-Street Parking Lot.”
- (5) *Open-Air Business*: A business or portion of a business that involves activities for the display and sale of goods, products, and objects outside of a building, including, but not limited to: motor vehicles, bicycles, trailers, swimming pools, snowmobiles, and watercraft sales; rental equipment and services; manufactured home sales; flea markets, lawn furniture, playground equipment, and other home garden supplies and equipment, cemetery monuments; and similar uses.
- (6) *Open Space*: Open space dedicated through permanent recorded deed restrictions or easement that is held for the private or collective use and enjoyment of the owners, tenants, or occupants of a single development.
- (7) *Ordinary High-Water Mark*: The line between upland and bottomland that persists through successive changes in water levels below which the presence and action of the water is so common or recurrent that the character of the land is marked distinctly from the upland and is apparent in the soil itself, the configuration of the surface of the soil, and the vegetation.
- (8) *Outdoor Dining*: A restaurant or portion of a restaurant that is located outside of an enclosed building.
- (9) *Outdoor Storage*: The storage of any material for a period of at least twenty-four (24) hours not within an enclosed building.
- (10) *Overhang*: The portion of the roof that extends beyond the exterior wall or covered porch, deck, or patio.
- (11) *Overlay Zoning District*: See “Zoning District, Overlay.”
- (12) *Owner*: The owner of the premises or lesser estate in the premises, a mortgagee or vendee in possession, an assignee of rents, receiver, executor, trustee, leasee, or any other person, sole proprietorship, partnership, association, or corporation directly or indirectly in control of a structure or real property, or his or her duly authorized agent.

(P) Definitions of Words & Phrases Starting with “P”: The following words and phrases shall have the meanings described below.

- (1) *Parcel:* A lot described by metes and bounds or described in a recorded plat.
- (2) *Parcel, Parent:* A lawfully existing parcel or contiguous parcels under common ownership as of March 31, 1997, as defined in the Land Division Act.
- (3) *Park:* An area used for recreational purposes, including, but not limited: to playgrounds, sport fields, game courts, beaches, trails, picnicking areas, and leisure-time activities.
- (4) *Parking Definitions:* The following words, terms, and phrases related to parking shall have the following meanings:
 - a. *Handicapped Parking Space:* A parking space that is larger than a typical parking space and designed to provide parking for handicapped-accessible vehicles, including the loading area.
 - b. *Loading Space:* A parking space that is used for the loading and unloading of goods, supplies, and passengers.
 - c. *Maneuvering Lanes:* The areas within a parking area that provide circulation and access to parking spaces.
 - d. *Off-Street Parking Lot:* A land surface or facility providing vehicular, off-street parking spaces, driveways, and maneuvering lanes to provide access for the parking of three (3) or more motor vehicles. Also known as “Parking Lot.”
 - e. *Parking Space:* An area of land provided for vehicles off of a street exclusive of driveways, maneuvering lanes, or entrances giving access thereto, that is fully accessible for parking of vehicles.
 - f. *Shared Parking:* A parking area jointly used by more than one (1) use or sites.
- (5) *Patio:* An outdoor courtyard or platform extending horizontally out from a building or located within a yard for leisure activities.
- (6) *Performance Guarantee:* A cash deposit, certified check, irrevocable bank letter of credit, or similar instrument acceptable to the Township to ensure that all improvements and conditions will be completed and adhered to according to an approved plan.
- (7) *Person:* Any individual, partnership, corporation, joint stock association, or any political entity, including any trustee, receiver, assignee, or personal representative.
- (8) *Pervious Surface:* A surface that permits full or partial absorption of storm water. Also known as permeable surface. [See also “Impervious Surface.”](#)
- (9) *Planned Unit Development:* A zoning district established pursuant to §503 of the Michigan Zoning Enabling Act, MCL 125.3503. The phrase includes such terms as cluster zoning, planned development, community unit plan, planned residential development, and other terminology denoting zoning requirements designed to accomplish the objects of this Ordinance through a land development project review process based on the application of site planning criteria to achieve integration of the proposed land development project with the characteristics of the project area.
- (10) *Planning Commission:* The Dexter Township Planning Commission.

- (11) *Planning Enabling Act*: The Michigan Planning Enabling Act, Public Act 33 of 2008 (MCL 125.3101 et seq).
- (12) *Plat*: A map of a subdivision of land recorded with the Register of Deeds pursuant to the Subdivision Control Act or a prior statute.
- (13) *Plot Plan*: A plan, drawn to scale, showing the actual measurements, the size and location of existing and proposed structures, the dimensions of the lot, and other relevant information.
- (14) *Pond*: A natural or manmade surface waterbody that is less than five (5) acres and ~~does not have a stream outlet~~ that is used to provide water for livestock, fish and wildlife, recreation, fire control, crop and orchard spraying and irrigation, and other related uses for the personal use of the property owner and/or tenants.
- (15) *Porch*: A structure providing a landing at the entrance of a building, which may include a roof.
- (16) *Practical Difficulty*: Special or unique conditions that are peculiar to a lot that cause compliance with the standards of this Ordinance to deprive the property owner of substantial rights similar to those enjoyed by other lots in the same Zoning District. Economic, personal, or financial hardship alone does not constitute a practical difficulty. Additionally, inconvenience, aesthetic considerations, personal preferences, or neighbors' opinions are not considered a practical difficulty.
- (17) *Principal Building*: See "Building, Principal."
- (18) *Principal Use*: See "Use: Principal Use."
- (19) *Private Heliport*: See "Heliport, Private."
- (20) *Private Landing Strip*: See "Landing Strip, Private."
- (21) *Private Road*: See "Street: Private Street."
- (22) *Private Sanitary Sewage Disposal System*: An individual, on-site sewage disposal system, as defined in the ~~County~~ Environmental Health Department Sanitary Code
- (23) *Private Water Supply*: A well or other water supply system approved by the ~~County~~ Environmental Health Department pursuant to Part 127 of Public Act 368 of 1978.
- (24) *Professional Engineer*: An engineer registered and qualified to practice in the State of Michigan.
- (25) *Prohibited Use*: See "Use: Prohibited Use."
- (26) *Proof Gallon*: A gallon of liquid at 60 degrees Fahrenheit which contains 50 percent by volume of ethyl alcohol having a specific gravity of 0.7939 at 60 degrees Fahrenheit referred to water at 60 degrees Fahrenheit as unity, or the alcoholic equivalent thereof.
- (27) *Property Lines*: The boundary line between two properties or a property and a right-of-way. Property lines are not necessarily the same as lot lines.
- (28) *Public Facility*: A facility that is operated or maintained by a governmental or similar public unit, agency, commission, board, or similar arm or branch of a governmental or public unit, including, but not limited to: cities, villages, townships, counties, school districts, sewer and water authorities, road commissions, fire departments, and police departments.

- (29) *Public Sanitary Sewer*: A system of pipes, owned and maintained by a governmental unit, used to transport human, organic, and industrial waste from the point of origin to a point of treatment and discharge.
- (30) *Public Safety &-or Nuisance*: Anything that is injurious to the safety and health of an entire community, neighborhood, or any considerable number of persons, or unlawfully obstructs free passage or use, in the customary manner, of any navigable lake, river, bay, stream, canal, or basin.
- (31) *Public Water System*: A system of pipes, owned and maintained by a governmental unit, used to transport potable water from the point of origin to lots.
- (32) *Public Utility*: Any person, firm, or corporation, municipal department, board or commission duly authorized to furnish and furnishing under federal, state, or municipal regulations to the public: gas, steam, electricity, sewage disposal, communication, telephone, telegraph, transportation, or water.
- (Q) *Definitions of Words & Phrases Starting with “Q”*: The following words and phrases shall have the meanings described below.
- (1) *Queuing Space*: A temporary waiting space for motor vehicles obtaining a service or other activity at a drive-through establishment.
- (R) *Definitions of Words & Phrases Starting with “R”*: The following words and phrases shall have the meanings described below.
- (1) *Reclamation Plan*: A plan showing how a site will be restored following a particular use.
- (2) *Recognizable & Substantial Benefit*: A clear benefit, both to the ultimate users of the property in question and to the community that would reasonably be expected to accrue, taking into consideration the reasonably foreseeable detriments of the proposed development and uses. Such benefits may include: long-term protection or preservation of natural resources and natural features, historical features, or architectural features; or elimination of or reduction in the degree of legal nonconformity in a legal nonconforming use or structure.
- (3) *Recreational Facilities*: A public, commercial, or institutional facility used by or available for use by the general public for outdoor recreation activities, including, but not limited to: miniature golf, swimming pools, athletic fields, and athletic courts.
- (4) *Recreational Vehicle*: A vehicle primarily designed and used as temporary living quarters for recreational, camping, or travel purposes, including a vehicle having its own motor power or a vehicle mounted on or drawn by another vehicle. [See also MCL 257.49a](#) (Public Act [96-300](#) of [1987](#)[1949](#)).
- (5) *Register of Deeds*: The Washtenaw County Register of Deeds.
- (6) *Religious Institution*: A facility where persons regularly assemble for religious purposes and related social events that is maintained and controlled by a religious body to sustain religious ceremonies and purposes, together with its accessory buildings, structures, and uses.
- (7) *Repair*: The reconstruction or renewal of any part of an existing structure for the purpose of maintenance.
- (8) *Residence, Principal*: The primary location of an individual’s residence.
- (9) *Resident*: An individual whose principal residence is at that location; not a visitor, guest, or transient.

- (10) *Resolution*: The recorded expression of the will of a public body.
- (11) *Restaurant*: An establishment whose principal business is the sale of food and/or beverages to customers in a ready-to-consume state, and whose principal method of operation includes one or both of the following characteristics: customers, normally provided with an individual menu, are served their food and beverage by a restaurant employee at the same table or counter at which food and beverage are consumed or a cafeteria-type operation where food and beverage generally are consumed within the restaurant building or on the site. The following words, terms, and phrases related to restaurants shall have the following meanings:
- a. *Carry-Out Restaurant*: A restaurant in which all or a substantial portion of the business consists of serving foods and beverages in a ready-to-consume state for off-site consumption. A carry-out restaurant may or may not also have indoor seating.
 - b. *Drive-Through Restaurant*: A restaurant in which all or a substantial portion of the business consists of serving foods and beverages in a ready-to-consume state from a drive-through window to patrons in motor vehicles. A drive-through restaurant may or may not also have indoor seating.
 - c. *Open-Air Restaurant*: A restaurant or portion of a restaurant where food and beverages are consumed on-site outside of an enclosed building.
- (12) *Restoration*: The reconstruction or replication of an existing structure's original architectural features.
- (13) *Retail Sales*: The selling of merchandise directly to the ultimate consumer.
- (14) *Retaining Wall*: A wall or similar structure at least ~~twenty-four~~twenty-four (24) inches high designed to change grade, stabilize soil, retard erosion, or terrace land.
- (15) *Retention Basin or Pond*: A natural or manmade pond, pool, basin, or depression designed used for the permanent storage of storm water that does not have an outlet. Water is removed through infiltration and/or evaporation processes. Retention basins may or may not have a permanent pool of water. See also "Stormwater Management System."
- (16) *Rezone or Rezoning*: See "Zoning Map Amendment."
- (17) *Right-of-way*: A street, alley, or other thoroughfare or easement permanently established for passage of persons, vehicles, or the location of utilities. The right-of-way is delineated by legally-established lines or boundaries.
- (18) *Right to Farm Act*: The Michigan Right to Farm Act, Public Act 93 of 1981 (MCL 286.471 et seq).
- (19) *Road*: See "Street."
- (20) *Roadside Stand*: A structure that is used seasonally for display and sale of agricultural products. Roadside stands shall not be considered a commercial use.
- (21) *Roof Line*: The top edge of a roof or building parapet, whichever is higher, excluding cupolas, pylons, chimneys, or similar minor projections.
- (22) *Runoff*: That part of stormwater that flows or discharges off-site.

(S) **Definitions of Words & Phrases Starting with “S”:** The following words and phrases shall have the meanings described below.

- (1) **Sanitary Facility, Temporary:** A portable, watertight, chemical vault used by the public for special events or on an on-going basis by workmen at a construction site. Also known as a porta-pot, porta-john, or honey bucket.
- (2) **Satellite Dish:** A parabolic, dome-shaped, or similarly shaped structure that is greater than thirty-six (36) inches in diameter that is used for or intended to be used for reception of satellite transmission signals.
- (3) **School:** An educational facility, whether public or private, that provides education in pre-elementary, elementary, secondary, and/or post-secondary curriculums; special arts such as crafts, dance, music, and/or self-defense; occupational trades; and similar areas of education. This definition shall not apply to home occupations or home schooling.
- (4) **Screen:** A structure providing enclosure or separation, such as a fence and/or visual barrier, maintained between the separated area and adjacent property or rights-of-way. A screen may also be non-structural, consisting of a berm or shrubs or other growing materials that maintain foliage year-round.
- (5) **Secondary Containment:** A device and/or measures taken to prevent regulated substances that can be spilled at a loading or unloading facility from entering a public sewer, ground water, surface water, subsurface soils, or the impoundment area for the tanks.
- (6) **Sediment:** Solid matter that has been removed from its site of origin by soil erosion, suspension in water, or wind or water transport.
- (7) **Self-Storage Facility:** A building or group of buildings in a controlled-access or fenced area that contains individual, compartmentalized, and controlled-access stalls or lockers for the storage of customer's property that are generally not used on a daily basis. A self-storage facility may include accessory outdoor storage. Also known as mini-storage facility.
- (8) **Setback:** The minimum required distance between a structure, improvement, or use and lot lines, other structures, natural features, and uses. This distance is measured horizontally from the nearest point of the structure, unless otherwise noted. The following words, terms, and phrases related to setbacks shall have the following meanings:
 - a. **Building-to-Building Setback:** The minimum required distance between adjacent buildings.
 - b. **Front-yard Setback:** The minimum required distance between a structure and the front lot line, extending the full width of the lot.
 - c. **Rear-Yard Setback:** The minimum required distance between the structure and the rear lot line, extending the full width of the lot.
 - d. **Side-Yard Setback:** The minimum required distance between a structure and the side lot line, extending from the front setback to the rear setback.
 - e. **Waterbody Setback:** The minimum required distance between a structure and a shoreline.
 - f. **Wetland Setback:** The minimum required distance between a structure and a wetland.
- (9) **Sewage Treatment Facility:** A facility designed and used for the collection, removal, treatment, and disposal of waterborne sewage.
- (10) **Shared Driveway:** See “Driveway: Shared Driveway.”

- (11) *Shooting Range*: A **commercial facility or club** that is principally designed and used for the use of firearms and/or bow and arrows that are aimed at targets, skeet, trap, or animals.
- (12) *Sidewalk*: An improved surface for pedestrian or other non-motorized transportation, generally consisting of a hard surface.
- (13) *Shoreline*: The boundary line of a surface waterbody as defined by the ordinary high-water mark.
- (14) *Sign*: Any words, pennants, lettering, parts of letters, figures, numerals, phrases, sentences, emblems, devices, designs, trade names or marks, or other representation, or combination thereof, by which anything is made known, such as the designation of an individual, a firm, an association, a profession, a business, a commodity or product, that is located upon any lot or on or in any structure, in such manner as to attract attention from off-site. Official flags, street address signs, and signs installed consistent with the Manual on Uniform Traffic Control Devices shall not be considered signs. The following words, terms, and phrases related to signs shall have the following meanings:
- a. *Awning Sign*: A sign located on or attached to an awning.
 - b. *Back-to-Back Sign*: A sign consisting of two (2) sign faces oriented in opposite directions.
 - c. *Business Center*: A grouping of two (2) or more business establishments on one (1) or more lots that may share parking and access and are linked architecturally or otherwise developed as a unified grouping of businesses. A business center shall be considered one (1) use for the purposes of determination of the maximum number of free-standing signs.
 - d. *Canopy Sign*: A sign located on or attached to a canopy.
 - e. *Commercial Message*: A message that proposes or promotes a commercial transaction or pertains primarily to the economic interests and commercial identity of the message sponsor.
 - f. *Commercial Sign*: A sign that contains a commercial message, including, but not limited to, businesses, products, services, or sales.
 - g. *Electronic Message Sign*: A sign that displays changing messages or graphics using light emitting diodes.
 - h. *Freestanding Sign*: A sign that is not attached to a principal or an accessory structure, including center pole signs, posts and panels, or monument signs.
 - i. *Moving Sign*: A sign that moves, contains moving parts, or simulates movement, including, but not limited to, spinners, streamers, banners, balloons, scrolling text, and spotlights, but excluding official flags.
 - j. *Non-commercial Sign*: A sign that contains non-commercial messages, including, but not limited to, designation of public telephones, restrooms, restrictions on smoking, trespassing, or hunting, or political or religious philosophies.
 - k. *Official Flag*: The flag, pennant, or insignia of any nation, state, county, city, or other political entity.
 - l. *Official Sign*: A traffic sign and similar sign erected or maintained by a governmental body and signs of a noncommercial nature required by law.
 - m. *Off-Site Sign*: A sign that identifies goods, services, facilities, events, or attractions that are available or provided at a location other than the site upon which the sign is located.

- n. *Permanent Sign*: Any sign that is displayed or intended to be displayed for an extended period of time.
 - o. *Projecting or Perpendicular Sign*: A sign, other than a wall sign that is attached to and projects from a structure or building face and does not project above the roof line or cornice wall.
 - p. *Prohibited Sign*: A sign that is not permitted according to the standards of this Ordinance.
 - q. *Sign Area*: The area enclosing the most protruding points or edges of all sign faces of the sign within a single geometric form or combinations of such forms, excluding any framing.
 - r. *Sign Height*: The vertical distance from the average grade along a sign to the highest point of the sign or the vertical distance from the grade at the front lot line directly in front of the sign, whichever is less, including framing.
 - s. *Sign Permit*: A zoning permit issued by Dexter Township for installation of a sign signifying compliance with the provisions of this Ordinance, which may include and set forth any conditions that must be met.
 - t. *Sign Setbacks*: The horizontal distance between any portion of a sign and lot lines, structures, and other features.
 - u. *Temporary Sign*: Any sign, with or without frames, that is displayed or designed to be displayed for a limited period of time.
 - v. *Wall Sign*: A sign that is attached or painted directly to a building façade with the horizontal sign surface generally parallel to the building wall, but excluding window signs.
 - w. *Window Sign*: A sign that is applied or attached to a window or located in a manner within the building that it is visible from the exterior of the building through a window, but excluding a window display.
- (15) *Site*: A contiguous area of land, including a lot, lots, parcel, parcels, or combination thereof, under single ownership and control, devoted to or intended for a use or occupied by a structure or a group of structures.
- (16) *Site Plan Definitions*: The following words, terms, and phrases related to site plans shall have the following meanings:
- a. *Administrative Site Plan*: A site plan of limited nature that is generally reviewed and approved by the Director of Planning and Zoning.
 - b. *Approved Site Plan*: A plan, including all conditions thereto, that has been approved by the Planning Commission following a duly-noticed public hearing.
 - c. *Combined Site Plan*: A site plan that combines the elements of preliminary and final site plans.
 - d. *Final Site Plan*: A plan submitted for site plan review to determine compliance with the standards of this Ordinance and other Township Ordinances.
 - e. *Preliminary Site Plan*: A plan submitted for site plan review to determine general compliance with the standards of this Ordinance and other Township Ordinances.
 - f. *Site Plan*: A plan showing all salient features of a proposed development, so that it may be evaluated in order to determine whether it meets the standards of this Ordinance.
 - g. *Site Plan Amendment*: A change or modification of a previously-approved site plan.

~~h. *Site Plan Review*: The process of reviewing a site plan to determine compliance with the standards of this Ordinance, other Township Ordinances, and other applicable laws and statutes.~~

- (17) *Slaughterhouse*: A commercial facility for the slaughtering and processing of animals for food or other products.
- (18) *Slope*: The degree of deviation of a surface from the horizontal, expressed as a ratio of vertical rise or fall to horizontal distance.
- (19) *Smoke*: Gasses and airborne particles in sufficient density to be visibly observable.
- (20) *Soil Erosion Control Measure*: A structure, facility, barrier, berm, process, vegetative cover, basin, and/or other installations designed to control accelerated soil erosion. Temporary measures are installed to control soil erosion during construction or until soils in the contributing drainage area are stabilized. Permanent measures remain after the project is completed.
- (21) *Soil Erosion & Sedimentation Control*: The Soil Erosion and Sedimentation Control Program, Part 91 of the Natural Resources and Environmental Protection Act.
- (22) *Solar Energy System, Accessory*: A system that converts light energy into electrical energy for the purposes of providing on-site electricity.
- (23) *Special Event*: An event of limited duration within any zoning district. A temporary use shall not be interpreted to be a continuance of a nonconforming use. Special events include, but are not limited to: carnivals, circuses, farmers markets, art fairs, craft shows, sidewalk sales, antique sales, Christmas tree sales, flower sales, and similar events. Also includes large events and seasonal events.
- (24) *Special Event Facility*: A facility where large-scale public or private events are held on a regular basis, provided that the facility is incidental and accessory to the primary agricultural or residential use of the site. Special event facilities may include the sale and consumption of food, beverages, and other goods.
- (25) *Special Land Use*: See “Use: Special Land Use.”
- (26) *Spire*: The tapering termination of a roof tower, such as a steeple.
- (27) *Stable, Commercial*: A structure and/or use where horses are bred, reared, and/or trained for remuneration.
- (28) *Stable, Private*: An accessory structure and/or use where horses are kept for private use and are not for hire, remuneration, or sale.
- (29) *Stop Work Order*: An administrative order directing a person not to continue or not to allow the continuation of an activity that is in violation of this Ordinance.
- (30) *Storage of Inoperable Vehicles*: The storage or keeping of inoperable motor vehicles or recreational vehicles.
- (31) *Storage, Outdoors*: The storage of any materials outside of a fully-enclosed structure for a period of twenty-four (24) hours or more.

~~(32)~~ *Storm-Waterwater*: The flow of water that results from precipitation.

~~(32)~~~~(33)~~ *Stormwater Management System*: A manmade or natural system that conveys, catches, holds, filters, and/or receives stormwater, surface water, or groundwater on a permanent or temporary basis.

~~(33)~~~~(34)~~ *Stormwater Plan*: A plan showing natural and man-made storm water system improvements and the associated calculations.

~~(34)~~~~(35)~~ *Street Definitions*: A state highway, county road, dedicated public thoroughfare or approved private road which affords the principal means of access to abutting properties. The following words, terms, and phrases related to streets shall have the following meanings:

- a. *Alley*: A public or legally established thoroughfare, other than a street, providing a secondary means of vehicular access to abutting property and not intended for general traffic circulation.
- b. *Capacity*: The maximum number of vehicles that can pass a given point in one hour under prevailing street and traffic conditions.
- c. *Centerline*: The true center of a street right-of-way.
- d. *Cul-de-sac*: A dead-end street, generally with a traffic circle, turn-around, or other termination point.
- e. *Major Thoroughfare*: A public street, the principal use or function of which is to provide an arterial route for through traffic, with its secondary function the provision of access to abutting property and which is classified as a county primary road by the Road Commission or as a principal or minor arterial by the Michigan Department of Transportation.
- f. *Minor Thoroughfare*: A public street identified as a county local road by the Road Commission, except that no street in a platted or condominium subdivision nor any private road shall be considered a minor thoroughfare under this Ordinance.
- g. *Private Street*: Any street that is not publicly owned and maintained.
- h. *Public Street, Public*: Any street that is publicly owned and maintained.
- i. *Street Line*: The line of demarcation between a street right-of-way and abutting land. Also known as front lot line.
- j. *Stub Street*: A street having only one (1) access point for vehicles but which is intended to be extended or continued to serve or connect with adjacent properties or developments in the future.
- k. *Street Width*: The shortest distance between the street lines delineating either side of a street right-of-way.
- l. *Traffic Circle*: A raised island located in a street or intersection that is usually landscaped and used as a traffic calming device.

~~(35)~~~~(36)~~ *Structural Alteration*: Any change in the supporting members of a building such as the bearing wall, column, beam, or girder, or foundation or any change in the dimensions or configuration of the roof or exterior walls.

(37) *Structure*: Anything constructed or erected, excluding streets, the use of which requires permanent location on the ground or attachment to something having such location on the ground including, but not limited to: all buildings, porches, decks, patios, sidewalks, fences, swimming pools, driveways, terraces, satellite dishes, and free-standing signs; excepting anything lawfully in a public right-of-way including, but not limited to: utility poles, sewage pumping stations, utility manholes, fire hydrants, electric transformers, telephone boxes, and related public facilities and utilities defined as essential public services. The term shall also include recreational vehicles and portable items similar to a structure that are located on a lot for more than one hundred eighty (180) days.

~~(36)~~**(38)** *Structure, Accessory*: A structure that is located on the same lot as the principal structure that is clearly incidental and subordinate to the principal structure. Examples of accessory structures include, but are not limited to: accessory buildings, detached carports, fences, flagpoles, sidewalks, retaining walls, and satellite dishes.

~~(37)~~**(39)** *Structure, Temporary*: A structure that is not permanently attached to the property and is permitted to exist for a specific reason for a specific, limited period of time.

~~(38)~~**(40)** *Subdivision Control Act*: Public Act 288 of 1967, MCL 560.101 et seq.

~~(39)~~**(41)** *Subdivision Plat*: The division of land for the purpose of sale or building development, in accordance with the Subdivision Control Act. See "Plat."

~~(40)~~**(42)** *Substantial Improvement*: Any repair, reconstruction, or improvement of a structure, the cost of which equals or exceeds fifty (50) percent of the market value of the structure either before the improvement or repair is started or if the structure has been damaged and is being restored before the damage occurred. The term does not include any project for improvement of a structure to comply with existing state or local health, sanitary or safety code standards or improvements of mechanical systems.

~~(41)~~**(43)** *Substation, Electrical or Gas*: A facility for the local distribution of electricity or gas.

~~(42)~~**(44)** *Surface Waterbody*: See "Waterbody."

~~(43)~~**(45)** *Surveyor*: Either a land surveyor who is registered in the State of Michigan as a registered land surveyor or a civil engineer who is registered in the State of Michigan as a registered professional engineer.

~~(44)~~**(46)** *Swale*: Defined contour of land with gradual slopes that transports and directs the flow of storm-water.

~~(45)~~**(47)** *Swimming Pool*: Any structure or container located either above or below grade designed to hold water to a depth of at least thirty (30) inches and with an area of at least two hundred fifty (250) square feet, intended for swimming or bathing.

(T) Definitions of Words & Phrases Starting with "T": The following words and phrases shall have the meanings described below.

(1) *Tavern*: Any place where malt, vinous, or spirituous liquors are sold for consumption on the site. See "Bar."

(2) *Temple*: See "Religious Institution."

(3) *Temporary Structure*: See "Structure, Temporary."

(4) *Temporary Use*: See "Use: Temporary Use."

- (5) *Thoroughfare, Major*: See “Street: Major Thoroughfare.”
- (6) *Thoroughfare, Minor*: See “Street: Minor Thoroughfare.”
- (7) *Topographical Map*: A map showing the existing physical characteristics of an area with contour lines of not more than two (2) feet intervals. Such a map should indicate the direction of water flow.
- (8) *Township*: Dexter Township, Washtenaw County, Michigan.
- (9) *Township Board*: The Dexter Township Board of Trustees. Also known as Board of Trustees.
- (10) *Township Clerk*: The Dexter Township Clerk or appointed agent.
- (11) *Township Engineer*: The staff engineer or consulting engineer of the Township.
- (12) *Township Supervisor*: The Dexter Township Supervisor.
- (13) *Traffic Impact Analysis*: An analysis of how a use, plan, or development will impact traffic in the surrounding area, including, but not limited to: trips generated, street capacity, street maintenance, and public safety. In some cases, such an analysis should detail the impact on more distant locations within the street network.
- (14) *Trail*: An improved or unimproved path designed for use by pedestrians, cyclists, equestrians, and other non-motorized transportation.
- (15) *Transfer of Development Rights*: The transfer of development rights from one property to another property.
- (16) *Tree Definitions*: The following words, terms, and phrases related to trees shall have the following meanings:
- a. *Dripline*: A line on the ground corresponding to and vertically below the external boundary of the canopy of a tree.
 - b. *Caliper*: The diameter of a tree.
 - c. *Critical Root Zone*: The area on the ground that corresponds with the dripline of the tree. Also known as root protection zone.
 - d. *Diameter at Breast Height*: The diameter of a tree measured at four point five (4.5) feet above the ground. Also known as dbh.
 - e. *Landmark Tree*: A tree with a caliper of twenty-four (24) inches or more.
 - f. *Mature Tree*: Any tree with a caliper of ten (10) inches or more.
 - g. *Native Tree*: A tree that has evolved in the area over thousands of years under local soil, hydraulic, and other site conditions.
 - h. *Public Tree*: Any tree that is located on publicly owned land, including rights-of-way.
 - i. *Street Tree*: Any tree located within the street right-of-way or substantially near the street right-of-way.
- (17) *Trip*: A one-way journey from an origin to a destination.

(U) *Definitions of Words & Phrases starting with “MU”*: The following words and phrases shall have the meanings described below.

- (1) *Underground Storage Tank*: Any tank located underground, including subterranean pipes, but excluding septic tanks, that is used to contain regulated substances or hazardous materials.
- (2) *Undeveloped State*: A natural state preserving natural resources, natural features, scenic or wooded conditions, agricultural use, open space, or a similar use, or condition. Land in an undeveloped state does not include a golf course but may include a recreational trail, picnic area, children’s play area, greenway, or linear park.
- (3) *Upland Area*: The portion of a lot that does not contain soils associated with a wetland, marsh, or floodplain and is not wet for more than thirty (30) days during any given year.
- (4) *Use*: The purpose for which land or a building is arranged, designed or intended, or for which land or a building is occupied. The following terms, words, and phrases associated with use shall have the following meanings:
 - a. *Accessory Use*: A use customarily incidental and subordinate to the principal use of the land or building and located on the same lot as the principal use.
 - b. *Comparable or Similar Use*: A use not specifically listed as a permitted, accessory, or special land use in a zoning district that is similar to a listed use and whose nature is likely to have a similar character and impact.
 - c. *Intensification of Use*: To alter the character of a use to the extent that the use generates new or different impacts on the health, safety, or welfare of the surrounding neighborhood, including, but not limited to: the level or amount of traffic, noise, light, smoke, odor, vibration, outside storage, the amount of parking required, an increase in the number of days or hours of operation, or other similar conditions associated with the use.
 - d. *Legally-nonconforming Use*: A use lawfully existing at the time of adoption of this Ordinance or an amendment to this Ordinance that is no longer a permitted use. See also “Nonconforming, Legally.”
 - ~~d.e. *Nonconforming Use*: A use that was not legal at the time of adoption of this Ordinance or an amendment to this Ordinance and is not a permitted use in this Ordinance. See “Nonconforming, Legal and Nonconforming.”~~
 - ~~e.f. *Permitted Use*: A use that is permitted within a particular zoning district, excluding special land uses.~~
 - ~~f.g. *Principal or Primary Use*: The main or primary use of a lot.~~
 - ~~g.h. *Prohibited Use*: A use that is not permitted within a particular zoning district.~~
 - ~~h.i. *Reasonable Use*: A use of property for a suitable and beneficial purpose that does not lead to unreasonable interference with another’s use of property or public health, safety, and welfare. Reasonable use shall not be construed as highest and best use.~~
 - ~~i.j. *Special Land Use*: Uses and structures that have been generally accepted as reasonably compatible with the primary uses and structures within a zoning district but which could present unique impacts and/or potential injurious effects upon the primary uses and structures within the zoning district and, therefore, require special consideration in relation to the welfare of adjacent properties and to the community as a whole.~~
 - ~~j.k. *Temporary Use*: A use that is of limited duration.~~

- (5) *Utilities*: All lines and facilities related to the provision, distribution, collection, transmission, or disposal of water, storm and sanitary sewer, oil, gas, electricity, information, and telecommunication.
- (6) *Utility Box*: Electrical transformers, switch boxes, telephone pedestals and boxes, television pedestals and boxes, traffic boxes, and similar devices.
- (7) *Utility Pole*: A pole used to support essential services, such as electricity, telephone, cable, or similar telecommunications or used to support street lights, typically located in rights-of-way.

(V) **Definitions of Words & Phrases Starting with “V”**: The following words and phrases shall have the meanings described below.

- (1) *Variance*: A variance is a modification of the literal standards of the Zoning Ordinance, granted by the Zoning Board of Appeals, where such variance will not be contrary to the public interest or permit a use in a District that is not identified as a permitted principal use in such District. See “Developmental-Standard Variance.”
- (2) *Veterinary Clinic*: An establishment that is licensed by the State of Michigan to provide for the care, diagnosis, and treatment of sick or injured animals, including those in need of medical or surgical attention.
- (3) *Vicinity Map*: A map, not necessarily to scale, showing the general location of a lot in relation to abutting properties, streets, and other landmarks.
- (4) *Violation*: The failure of a structure, development, use, lot, or site to be fully compliant with this Ordinance.

(W) **Definitions of Words & Phrases Starting with “W”**: The following words and phrases shall have the meanings described below.

- (1) *Wall*: A solid, durable structure made of masonry, stone, concrete, or similar material that encloses or divides an area.
- (2) *Waste Receptacle*: Any accessory exterior container used for the temporary storage of rubbish, pending collection, having a capacity of at least one (1) cubic yard. Recycling stations and exterior compactors shall be considered waste receptacles. Also known as dumpster or grease bin.
- (3) *Water Resources Commissioner*: The Washtenaw County Water Resources Commissioner.
- (4) *Waterbody*: Any area that normally has water flowing or standing above ground to the extent that evidence of an ordinary high-water mark is established. Lakes, ponds, whether natural or artificial, rivers, streams, ~~wetlands~~, and other watercourses and waters characterized by this definition shall be considered as surface water bodies.
- (5) *Watercraft*: A contrivance used or designed for navigation on water, including a vessel, boat, motor vessel, steam vessel, vessel operated by machinery either permanently or temporarily affixed, scow, tugboat, personal water craft, or any marine equipment that is capable of carrying passengers, except a ferry.
- (6) *Watercraft Access Ramp, Commercial*: A ~~commercial, public, or club or private~~ facility at the water’s edge used for the launching and retrieving of watercraft and the parking of the associated tow vehicle and trailer.
- (7) *Watercraft Repair & Storage*: Repair or storage of watercraft on property that is not owned or controlled by the owner of the watercraft or for a commercial purpose.

- ~~(8)~~ *Water Supply, Private*: A well or similar installation approved by the Environmental Health Department, pursuant to Part 127 of Public Act 368 of 1978, on an individual lot that provides a water supply to any structures or uses on that lot.
- ~~(9)~~**(8)** *Watercourse*: Any and all rivers, streams, creeks, tributaries, lakes, ponds, wetlands, and other types of natural or man-made structures that channel, contain, or retain water.
- ~~(10)~~**(9)** *Wetland*: Land characterized by the presence of water at a frequency and duration sufficient to support and that, under normal circumstances, supports wetland vegetation or aquatic life, and is commonly referred to as a bog, swamp, or marsh, including both State-regulated and unregulated-non-State-regulated wetlands.
- ~~(11)~~**(10)** *Wild Animal*: Any animal, other than a customary household pet or livestock, that lives in a state of nature, untamed and undomesticated, or that, because of temperament, conditioning, or training, has a known propensity to attack, bite, or injure human beings or domesticated animals, including dogs that are hybrids of wolves, coyotes, or jackals, and cats which are hybrids of ocelots or margays.
- ~~(12)~~**(11)** *Wind Energy Conservation System Definitions (WECS)*: The following words, terms, and phrases associated with Wind Energy Conversion System shall have the following meanings:
- a. *Ambient Sound Level*: The L90 A-weighted sound pressure emissions level; the level of sound exceeded ninety (90) percent of the time.
 - b. *Experimental WECS*: Any WECS not approved by Underwriter Laboratories, Det Noske Veritas, Germanishcher Lloyd Wind Energie, or similar third party.
 - c. *Met Tower*: A tower used to measure wind that generally has anemometers, direction vanes, temperature and pressure sensors, and other measurement devices.
 - d. *Micro WECS*: A WECS mounted on a building that projects no more than fifteen (15) feet above roofline or mounted on a tower with a total height less than or equal to the permitted building high for the zoning district in which it is located and having a nameplate capacity of two (2) kW or less.
 - e. *Non-Participating Lots*: Lots that are not participating in a WECS project.
 - f. *Participating Lots*: Lots that are participating in a WECS project.
 - g. *Total (System) Height*: The vertical distance between the ground and the highest point of the swept area.
 - h. *Small WECS*: A WECS with a nameplate capacity of ten (10) kW or less and a total height of less than two hundred (200) feet.
 - i. *Swept Area*: The area that is swept by the turbine blade.
 - j. *Wind Energy Conversion System (WECS)*: A device which converts wind energy into electrical energy.
- ~~(13)~~**(12)** *Winery*: A facility used for the commercial purpose of processing grapes, fruits, and vegetables into wine or similar spirits, including processing, fermenting, aging, bottling, storage, sales, administration, and tasting room.

~~(14)~~(13) *Wireless Communication Definitions*: The following words, terms, and phrases associated with wireless communications shall have the following meanings:

- a. *Cell on Wheels or Carrier on Wheels (COW)*: A portable, self-contained wireless communication facility that provides wireless communication service on a temporary or emergency basis.
- b. *Colocation*: Placing or installing wireless communications equipment on an existing wireless communications support structure or another existing structure or in an existing equipment compound. This definition has the same meaning as collocation, as used in MCL 125.3101 et seq.
- c. *Communication Tower*: Any structure that is designed to support, or is capable of supporting, one (1) or more antenna for wireless communication purposes. This includes, but is not limited to: radio and television transmission towers, microwave towers, common-carrier towers, cellular telephone towers, water towers, utility poles, electrical transmission line towers, buildings, and alternative tower ~~structures.~~ structures.
- d. *Equipment Compound*: An area surrounding or adjacent to the base of a wireless communications support structure and within which wireless communications equipment is located.
- e. *Wireless Communication Equipment*: The set of equipment and network components used in the provision of wireless communications services, including, but not limited to, antennas, transmitters, receivers, base stations, equipment shelters, cabinets, emergency generators, power-supply cables, and coaxial and fiber-optic cables, but excluding wireless communication support structures.
- f. *Wireless Communication Facility*: All structures, accessory facilities, transmitters, receivers, and antennas relating to the use of radio and microwave frequency electromagnetic radiation for commercial transmitting and receiving information.

~~(15)~~(14) *Woodland*: An area of at least one (1) acre containing forty (40) or more mature trees per acre.

(X) Definitions of Words & Phrases Starting with “X”: The following words and phrases shall have the meanings described below.

Section reserved for future use of definitions starting with “X.”

(Y) Definitions of Words & Phrases Starting with “Y”: The following words and phrases shall have the meanings described below.

- (1) *Yacht Club*: A club that includes structures and related grounds and mooring spaces watercraft that is used for social and recreational purposes related to pleasure boating and/or swimming and related support services.
- (2) *Yard*: An open space, on the same lot with a principal building, unoccupied and unobstructed from the ground upward by a building or structure, except as otherwise permitted in this Ordinance. The following words, terms, and phrases related to yards shall have the following meanings:
 - a. *Front Yard*: The open space between the front lot line and the nearest point of the principal building, extending the full width of the lot. There shall be a front yard on each street side of a lot, including corner lots and through lots.
 - b. *Rear Yard*: The open space between the rear lot line and the nearest point of the principal building, extending the full width of the lot.

- c. *Side Yard*: The open space between the side lot line and the nearest point of the principal building, extending from the front yard to the rear yard.
- d. *Waterbody Yard*: The open space between the shoreline and the nearest point of the principal building.
- e. *Non-required Yard*: The open space between the required setback and the principal building. It corresponds to the additional open space between the required yard and the principal building.
- f. *Required Yard*: The open space between the lot line and the required setback. The required yard corresponds to the required setbacks for the district.

Figure 35.10(Y)(2): Yards (ADD NEW GRAPHIC)

(Z) Definitions of Words & Phrases Starting with “Z”: The following words and phrases shall have the meanings described below.

- (1) *Zoning Act or Zoning Enabling Act*: The Michigan Zoning Enabling Act, Public Act 110 of 2006, MCL 125.3101 et seq.
- (2) *Zoning Administrator*: See “Director of Planning and Zoning.”
- (3) *Zoning Board of Appeals*: The Dexter Township Zoning Board of Appeals.
- (4) *Zoning District*: A portion of the Township within which specific use and developmental standards are uniformly applied as outlined in this Ordinance. Also known as district or zone.
- (5) *Zoning District, Overlay*: A zoning district that extends on top of one or more zoning districts for a specific purpose. Also known as overlay district.
- (6) *Zoning Jurisdiction*: The area encompassed by the legal boundaries of the Township outside the limits of incorporated cities and villages.

- (7) *Zoning Officer*: A person authorized by the Township to assist the Zoning Administrator in the enforcement and administration of this Ordinance and other Township Ordinances.
- (8) *Zoning Permit*: A permit issued by the Zoning Administrator or agent signifying compliance with the provisions of this Ordinance, which may include and set forth conditions that must be met. Fence permits, sign permits, ~~eteetcetera~~, are all considered zoning permits. [Includes major and minor zoning permits.](#) May also be known as preliminary certificate of zoning compliance.
- (9) *Zoning Map*: The map, adopted as part of this Ordinance that graphically depicts all of the zoning districts and their boundaries. Also known as Official Zoning Map.
- (10) *Zoning Map Amendment*: An amendment to the Zoning Map adopted as part of this Ordinance.
- (11) *Zoning Map Amendment, Conditional*: An amendment to the Zoning Map adopted as part of this Ordinance with conditions placed upon such amendment.
- (12) *Zoning Text Amendment*: An amendment to the text, figures, or tables of this Ordinance. See also “Zoning Map Amendment.”
