

ARTICLE XX

SITE PLANS

SECTION XX.05 – INTENT & PURPOSE

It is the intent and purpose of this Article to:

- (A) Reasonably ensure that developments and uses of land will not adversely affect the public health, safety, and general welfare;
- (B) Ensure that developments or uses of land are compatible with the surrounding uses and the goals and objectives of the Master Plan;
- (C) Reduce the adverse impacts of developments and uses of land on surrounding properties, the area, and the Township;
- (D) Achieve safe and convenient traffic and pedestrian movement within a site and in relation to access streets;
- (E) Encourage a harmonious relationship of buildings and uses, both within a site and in relation to adjacent uses;
- (F) Preserve natural features and resources;
- (G) Achieve efficient use of the land;
- (H) Define the types of developments and uses that require site plan approval;
- (I) Provide a consistent and uniform method of review for site plans for developments;
- (J) Delegate the authority for review and approval of site plans;
- (K) Define the data required for site plans;
- (L) Define standards for the review of site plans;
- (M) Encourage cooperation and consultation between applicants and the Township; and
- (N) Ensure full compliance with the provisions of this Ordinance, other applicable ordinances, and state and federal laws.

SECTION XX.10 - AUTHORITY

- (A) **Site Plan Review:** Authority to approve, approve with conditions, or deny a site plan shall be with the Planning Commission or the Director of Planning and Zoning, as outlined in this Article.
- (B) **Development Agreement Review:** Authority to approve, approve with conditions, or deny a development agreement shall be with the Township Board.
- (C) **Variance Review:** Authority to approve, approve with conditions, or deny a variance associated with a site plan shall be with the Zoning Board of Appeals.

SECTION XX.15 - SITE PLANS REQUIRED

(A) **Site Plan Required:** The following buildings, structures, sites and uses shall require site plans:

- (1) All permitted uses in Commercial and Public Lands Districts;
- (2) All commercial or institutional uses, regardless of the zoning district in which it is located;
- (3) All special land uses;
- (4) All multiple-family dwellings;
- (5) Accessory dwellings in Lake Residential (LR) Districts;
- (6) Mobile home parks;
- (7) Planned unit developments;
- (8) Site condominiums or platted subdivisions;
- (9) Any alteration, addition, or expansion of an existing use that requires a site plan; and
- (10) Any parking lot or parking lot addition.

(B) **Limitations:** Grading, clearing, excavation, construction, and use of buildings, structures, sites and uses requiring a site plan shall not commence until a site plan has been approved and all necessary permits have been issued, unless otherwise noted in this Ordinance.

SECTION XX.20 - GENERAL SITE PLAN PROVISIONS

INTRODUCTION OF SOME SORT HERE?

- (A) **Combined Site Plan Review:** An applicant may request a combined preliminary and final site plan approval. The Planning Commission may require separate preliminary and final site plan approval if, in its opinion, the complexity or size of the proposed development makes such a separation necessary. Combined site plan review shall not be considered for a project with more than one (1) phase.
- (B) **Developments with Multiple Phases:** Projects with multiple phases shall have one (1) preliminary site plan for the entire project and one (1) final site plan for each phase.
- (C) **Site Plans Requiring a Variance:** Site plans that require a variance may apply for the variance before or after applying for preliminary site plan review. If the variance has not been approved at the time of Planning Commission review, the approval shall be contingent on approval of the necessary variances. All necessary variances shall be approved before submission of a final, combined, or administrative site plan application.
- (D) **Site Plans for Special Land Uses:** Site plans for special land uses shall have the special land use review before or at the same time as the final, combined, or administrative site plan review.
- (E) **Site Plans for Open Space Preservation Communities:** Site plans for open space preservation communities shall have the open space preservation community review before or at the same time as the final, combined, or administrative site plan review.
- (F) **Changes to Preliminary Site Plan:** The Planning Commission may approve changes to an approved preliminary site plan during final site plan review.

(G) Right to Enter Property: Submission of a site plan application shall constitute permission for the Township to access the property to complete onsite investigations for the purpose of administering this Section.

(H) Conditions of Approval: The approving authority may impose reasonable conditions in granting an approval related to the following:

- (1) *Health, Safety, and Welfare:* Conditions shall be designed to protect the health, safety, and welfare and the social and economic well-being of those who will use the site under consideration, residents and landowners immediately adjacent to the site, and the community as a whole;
- (2) *Public Services and Facilities:* Conditions shall be designed to ensure that public services and facilities affected by a proposed activity will be capable of accommodating the resulting increased service and facility loads;
- (3) *Police Power:* Conditions shall be related to the valid exercise of the police power and purposes that are affected by the activity; or
- (4) *Compliance:* Conditions shall be necessary to ensure compliance with the standards and provisions of this Ordinance, other Township Ordinances, and state and federal law.

SECTION XX.25 - GENERAL SITE PLAN REVIEW PROCEDURES

Site plans shall be reviewed as described below and in this Article.

(A) Preapplication Meeting: The applicant shall meet with Township Officials, other agencies, and other interested parties prior to submission of a site plan application.

- (1) *Intent:* The intent of the preapplication meeting is to inform Township Officials and other interested parties of the general concept of the proposed development and to provide the applicant with feedback and guidance concerning the application. Statements made in the course of a preapplication meeting shall not be legally-binding nor construed as representing approval or actions the approving authority may make.
- (2) *Township Attendance:* The Zoning Administrator shall invite the following individuals to attend the preapplication meeting:
 - a. Other Township Officials, including, but not limited to: the Planning Commission Chair, the Township Engineer, and the Township Attorney; and
 - b. Officials from other agencies, including, but not limited to: the Washtenaw County Road Commission, the Washtenaw County Environmental Health Department, the Washtenaw County Water Resources Commissioner, the Dexter Area Fire Department, and local schools.
- (3) *Applicant Attendance:* The applicant, or an agent, shall attend and shall be responsible for inviting individuals responsible for preparing the site plan.

(B) Application: The applicant shall submit a complete and accurate application form provided by the Township for that purpose. The application shall include all relevant materials, as outlined in this Article, any materials requested by the approving authority, and any additional materials determined by the **Director of Planning and Zoning/Zoning Administrator**. Submission of an application constitutes a representation that all the information is complete and accurate.

- (C) **Fee:** A fee, as established by the Township Board, shall be submitted at the time of application. No fee shall be required if the Township Board, Zoning Administrator, or any official or body of the Township is acting as the applicant on behalf of the Township.
- (D) **Scheduling:** Upon declaration of a complete application by the Zoning Administrator, an application for a site plan requiring review by the Planning Commission shall be placed on the next available agenda for the Planning Commission. The applicant may request it be placed on a later meeting agenda or may request a special meeting, with payment of an additional special meeting fee, as established by the Township Board.
- (E) **Preliminary Site Plan Review:** Preliminary site plan review shall be conducted by the Planning Commission at a public hearing. If a preliminary site plan is approved or approved with conditions, the applicant shall provide two (2) hard copies and a digital copy, in formats acceptable to the Township, of the approved preliminary site plan with any changes required by the Planning Commission.
- (F) **Development Agreement:** The development agreement shall be approved or the requirement to have a development agreement shall be waived by the Township Board before submission of a final site plan application.
- (G) **Master Deed and Bylaws:** Any master deed and bylaws shall be approved by the Township Attorney before submission of a final site plan application.
- (H) **Final Site Plan Review:** Final site plan review shall be conducted by the Planning Commission at a public hearing. If a final site plan is approved or approved with conditions, the applicant shall provide two (2) hard copies and a digital copy, in formats acceptable to the Township, of the approved preliminary site plan with any changes required by the Planning Commission.
- (I) **Administrative Site Plan Review:** Administrative site plan review shall be conducted by the Director of Planning and Zoning but may be referred to the Planning Commission at the Director of Planning and Zoning's discretion.
- (J) **Preconstruction Meeting:** A preconstruction meeting shall be held between the developer and Township officials and other interested parties prior to issuance of a preliminary zoning certificate of compliance/zoning permit for the project.
- (K) **Applicant's Responsibilities:** The applicant shall post a public notice sign, clearly visible from all front lot lines at least fifteen (15) days before all public hearings.
- (L) **Notice of Hearing:** The Township shall give public notice for all site plans requiring review by the Planning Commission, as outlined in Section xx of this Ordinance and STATE REFERENCE HERE.
- (M) **Contact with Planning Commissioners (Ex parte Contact):** No person shall communicate directly with any member of the Planning Commission before a public hearing with the intent to influence the member's action or decision. Written comments may be submitted to the Zoning Administrator for distribution to the Planning Commission. This shall not prohibit the Zoning Administrator from promulgating staff reports and other related materials to the Planning Commission.
- (N) **Transmission of Materials:** The Zoning Administrator or appropriate official or body shall transmit all relevant records and other materials to the Planning Commission.
- (O) **Hearing Appearance:** Any party may appear in person or by duly-authorized agent or attorney at public hearings.
- (P) **Hearing Recess:** The Planning Commission may recess public hearings from time to time with notice conforming to the requirements of the Open Meetings Act.
- (Q) **Decisions:** Decisions shall be made in a timely manner, based on the approving authority, as follows:

- (1) *Planning Commission:* The Planning Commission shall render its decision within sixty (60) days of the initial public hearing/filing date, unless a delay is agreed to by the applicant and the Planning Commission. The concurring vote of at least four (4) members of the Planning Commission shall be necessary to approve a site plan. The decision shall be final upon adoption of meeting minutes or signing of a resolution, whichever occurs first.
- (2) *Zoning Administrator:* The Zoning Administrator shall render a decision within forty-five (45) days of the filing date, unless a delay is agreed to by the applicant and the Zoning Administrator. The decision shall be final upon issuance of a letter outlining the decision by the Zoning Administrator.

(R) *Rehearing:* A rehearing shall be processed in the same manner as the original application, including a new fee, unless initiated by the Planning Commission or Township Board. A request for rehearing shall be made within thirty (30) days of the decision becoming final. The only grounds upon which a rehearing of a previously-denied site plan shall be granted is if the approving authority, upon inspection, finds one (1) or more of the following to be true:

- (1) *New Evidence:* Newly-discovered evidence is available;
- (2) *Inaccurate Evidence:* Evidence previously relied upon is found to be inaccurate; or
- (3) *Procedures:* Proper procedures were not followed.

(S) *Reapplication:* A site plan application that has been denied shall not be resubmitted for reconsideration for a period of one (1) year from the date the decision became final, unless:

- (1) *Changed Conditions:* The approving authority, upon inspection, finds proof of changed conditions that contributed to the denial; or
- (2) *Changes to Site Plan:* Substantial changes have been made to the site plan that address the reasons for denial.

(T) *Revocation:* A site plan may be revoked by the approving authority, with notice to the applicant. Upon revocation of a site plan, all activity shall cease immediately except for work related to securing the site or correcting a violation. In order to revoke an approved site plan, the approving authority shall find any of the following to be true:

- (1) The execution or use of a zoning permit related to the approved site plan is not consistent with a standard of this Ordinance as it existed at the time of approval;
- (2) The execution or use of a zoning permit related to the approved site plan is not consistent with any condition of approval;
- (3) The execution or use of a zoning permit related to the approved site plan is not consistent with any written or verbal commitment; or
- (4) The approval was a result of fraud or misrepresentation of facts.

(U) *Suspension:* An approved site plan may be suspended temporarily and immediately by the approving authority, without notice. Upon suspension of a site plan, all activity shall cease immediately except for work related to addressing the threat. In order to suspend an approved site plan, the approving authority shall find both of the following to be true:

- (1) *Threat:* A severe and imminent threat exists to the health, safety, and welfare of neighboring persons or properties; and
- (2) *Delay:* The delay required for noticing would be detrimental to efforts to mitigate or respond to the threat.

SECTION XX.30 - SITE PLAN INFORMATION

- (A) **Site Plan Preparation:** All site plans shall be prepared and stamped by a professional engineer, architect, planner, landscape architect, or surveyor who is registered or licensed in the State of Michigan. All landscape plans for sites with a lot area of more than one (1) acre shall be prepared and stamped by a landscape architect licensed in the State of Michigan.
- (B) **Readability:** Site plans shall include a north arrow, graphic scale, and be easily legible in the format submitted. (SCALE??)
- (C) **Site Plan Data:** Site plans shall include the following information:

(D) Nonapplicable Items: If any of the required information above is not applicable to a particular site plan, a list of those items shall be included in the application or on the site plan with the reasons why the applicant believes each listed item should not be considered necessary.

(E) Waiver of Information: The approving authority may waive the requirement to include specific information from a site plan as outlined below, after consultation with the Zoning Administrator and the Township Engineer:

- (1) Criteria:** The approving authority shall make a written finding describing how the omission will not negatively impact the ability to review the site plan for compliance with the Zoning Ordinance, other ordinances, and state and federal law.

- (2) *Rescinding Waiver:* The approving authority may rescind the waiver if, at a later date, it determines the information is necessary for reviewing the site plan.
- (F) *Combined Site Plan:* Combined site plans shall include the information necessary for both preliminary and final site plan review.
- (G) *Amended Site Plan:* Amended site plans shall clearly illustrate what is being amended.

SECTION XX.35 - PRELIMINARY SITE PLAN REVIEW PROCESS

Preliminary site plans shall be reviewed as outlined in this Section.

(A) *Application Materials:* An application for a preliminary site plan shall include the following:

- (1) *Application Form:* A signed and completed application form;
- (2) *Fee:* A site plan application fee, as outlined in the adopted fee schedule;
- (3) *Site Plans:* Fifteen (15) hard copies of the site plan and a digital copy of the site plan, in a format acceptable to the Township; and
- (4) *Additional Materials:* Any additional information determined necessary by the Zoning Administrator.

(B) *Right to Enter Property:* Submission of a preliminary site plan application shall constitute permission for the Township to access the property to complete onsite investigations for the purpose of administering this Section.

(C) *Review of Completeness:* Applications for a preliminary site plan shall be reviewed by the Zoning Administrator for completeness.

- (1) *Review Letter:* The Zoning Administrator shall issue a review letter within fourteen (14) days of receiving the application stating whether the application is complete or, if not, what additional materials or information is necessary for it to be considered complete. If the review letter is not issued within the above period, the site plan application shall be considered complete and shall be placed on the next available Planning Commission agenda.
- (2) *Review Letter for Wireless Communication Facilities:* The Zoning Administrator shall issue a review letter for wireless communication facilities within ten (10) days of receiving the application stating whether the application is complete or, if not, what additional materials or information is necessary for it to be considered complete. If the review letter is not issued within the above period, the site plan application shall be considered complete and shall be placed on the next available Planning Commission agenda.
- (3) *Filing Date:* The date on which the Zoning Administrator declares the application complete or the expiration of the fourteen (14) or ten (10) days described above shall be considered the filing date for the application.

(D) *Public Notice Sign:* The applicant shall post a public notice sign on the site, clearly visible from each street, at least fifteen (15) days before the public hearing.

(E) *Notice of Hearing:* The Township shall give public notice of the preliminary site plan public hearing, as outlined in Section XX of this Ordinance and **STATE REFERENCE HERE**.

(F) *Planning Commission Review:* Preliminary site plans shall be reviewed by the Planning Commission at a public hearing.

- (1) *Possible Action:* The Planning Commission shall approve, approve with conditions, or deny the preliminary site plan, using the standards in this Section. The concurring vote of at least four (4) members of the Planning Commission shall be necessary to approve a preliminary site plan.
- (2) *Timely Review:* The Planning Commission shall take action within sixty (60) days of the filing date, unless a delay is agreed to by the Planning Commission and the applicant.
- (3) *Approval:* If approved, the applicant shall submit two (2) hard copies and a digital copy, in a format acceptable to the Township, of the approved preliminary site plan, with any changes required by the Planning Commission and may apply for a final site plan.
- (4) *Denial:* If a preliminary site plan is denied, the Planning Commission shall cite its reasons for denial.

(G) **Decision Criteria:** The Planning Commission shall approve a preliminary site plan if it determines all of the following are true:

- (1) *Organization:* All elements of the preliminary site plan are harmoniously and efficiently designed in relation to topography, the size and type of the site, the character of the surrounding area, and the type and size of buildings;
- (2) *Landscape Preservation:* The landscape is preserved in its natural state, as much as reasonably possible, by minimizing tree, vegetation, and soil removal and by topographic modifications that result in maximum harmony with the surrounding area;
- (3) *Sedimentation and Flooding:* The development is not likely to increase off-site sedimentation or otherwise adversely impact surrounding properties due to flooding;
- (4) *Privacy:* The site is arranged to provide reasonable visual and sound privacy for all dwelling units located on it and in the surrounding area;
- (5) *Emergency Access:* All buildings shall be arranged to provide emergency access from all sides;
- (6) *Access:* Every structure or dwelling unit shall have access to a public or private street, sidewalk, or other dedicated common use area;
- (7) *Pedestrian Circulation:* There is a separate pedestrian circulation system that is insulated as much as reasonable from the vehicular circulation system;
- (8) *Lighting:* Exterior lighting shall be arranged in a manner so that it is deflected away from adjacent streets and properties;
- (9) *Circulation Arrangement:* The arrangement of streets, driveways, and trails shall respect the pattern of existing and planned streets and pedestrian improvements in the area;
- (10) *Landscaping:* There shall be adequate room on the site to provide the necessary landscaping;
- (11) *Parking:* There shall be adequate space on the site to provide for the necessary parking;
- (12) *Ordinance Standards:* The site plan shall meet or is likely to meet the provisions of this Ordinance for the proposed use; and

(13) **More.**

(H) **Expiration:** Approval of the preliminary site plan shall be valid for one (1) year from the date of approval.

- (1) *Final Site Plan Application:* An application for a final site plan shall be submitted to the Township within this time or the preliminary site plan shall be considered expired.

- (2) *Multiple-phase Developments:* An application for the final site plan of the first phase of a multiple-phase development shall be submitted to the Township within this time, and applications for the final site plans for additional phases shall be submitted according to a schedule outlined on the approved preliminary site plan.
- (3) *Effect:* Preliminary site plans that have expired shall be resubmitted for review as a new application.
- (4) *Extension Request:* If an application for an extension has been submitted prior to the expiration date, the site plan shall remain valid until the Planning Commission hears the application.
- (I) *Extension:* The Planning Commission may grant one (1) extension of an approved preliminary site plan for a period of up to one (1) year, if it determines all of the following are true:
- (1) *Application Date:* The application for an extension was submitted prior to the expiration date;
 - (2) *Applicant Effort:* The applicant has made a good-faith effort to submit a final site plan in a timely manner, and the delay was not the result of actions or inaction of the applicant;
 - (3) *Substantial Changes:* There have been no substantial changes on abutting properties since the original approval that would raise concern of the impact of the approved preliminary site plan on those properties or on the site; and
 - (4) *Current Standards:* The approved preliminary site plan shall be in compliance with this Ordinance at the time of extension.
- (J) *Revocation:* An approved preliminary site plan may be revoked by the Planning Commission, following a public hearing, if it finds the following to be true:
- (1) *Fraud:* The approval was a result of fraud or misrepresentation of facts.
- (K) *Copies of Approved Preliminary Site Plan:* The applicant shall submit two (2) hard copies and a digital copy, in a format acceptable to the Township, of the approved preliminary site plan, with any modifications required for approval. The approved preliminary site plan shall be stamped and signed by WHOM and shall become a part of the record. Additional copies may be submitted for stamping and signing if the applicant wants a copy or copies.

SECTION XX.40 - FINAL SITE PLAN REVIEW PROCESS

Final site plans shall be reviewed as outlined in this Section.

- (A) *Application Materials:* An application for a final site plan shall include the following:
- (1) *Application Form:* A signed and completed application form;
 - (2) *Fee:* A site plan application fee, as outlined in the adopted fee schedule;
 - (3) *Site Plans:* Fifteen (15) hard copies of the site plan and a digital copy of the site plan, in a format acceptable to the Township. The applicant may submit one (1) copy with the application and submit the remaining copies following the review of completeness;
 - (4) *Development Agreement:* A development agreement approved by the Township Board, unless the need for a development agreement was waived by the Township Board;
 - (5) *Master Deed and Bylaws:* Master deed and bylaws approved by the Township Attorney for those developments with master deed and bylaws;

(6) *Confirmation of Submission:* Confirmation that the site plan has been submitted to other interested agencies, including, but not limited to: Washtenaw County Road Commission, Washtenaw County Environmental Health Department, Washtenaw County Water Resources Commissioner, Dexter Area Fire Department, and Multi-Lakes Water and Sewer Authority or Portage Base Lakes Area Water and Sewer Authority.

(7) *Additional Information:* Any additional information determined necessary by the Planning Commission at preliminary site plan review or the Zoning Administrator.

(B) *Right to Enter Property:* Submission of a final site plan application shall constitute permission for the Township to access the property to complete onsite investigations for the purpose of administering this Section.

(C) *Review of Completeness:* Applications for a final site plan shall be reviewed by the Zoning Administrator for completeness.

(1) *Review Letter:* The Zoning Administrator shall issue a review within fourteen (14) days of receiving the application stating whether the application is complete or, if not, what additional information or materials is necessary for it to be considered complete. If the review letter is not issued within the above period, the site plan application shall be considered complete and shall be placed on the next available Planning Commission agenda.

(2) *Review Letter for Wireless Communication Facilities:* The Zoning Administrator shall issue a review letter for wireless communication facilities within ten (10) days of receiving the application stating whether the application is complete or, if not, what additional materials or information is necessary for it to be considered complete. If the review letter is not issued within the above period, the site plan application shall be considered complete and shall be placed on the next available Planning Commission agenda.

(3) *Filing Date:* The date on which the Zoning Administrator declares the application complete or the expiration of the fourteen (14) or ten (10) days described above shall be considered the filing date for the application.

(D) *Public Notice Sign:* The applicant shall post a public notice sign on the site, clearly visible from each street, at least fifteen (15) days before the public hearing.

(E) *Notice of Hearing:* The Township shall give public notice for the public hearing, as outlined in Section xx of this Ordinance and STATE REFERENCE HERE.

(F) *Planning Commission Review:* Final site plans shall be reviewed by the Planning Commission at a public hearing.

(1) *Possible Action on Application:* The Planning Commission shall approve, approve with conditions, or deny the final site plan, using the standards in this Section.

(2) *Timely Review:* The Planning Commission shall take action within 60 days of the filing date, unless a delay is agreed to by the Planning Commission and the applicant.

(3) *Approval:* If approved, the applicant shall submit three (3) hard copies and a digital copy of the site plan, in a format acceptable to the Township, and may apply for a zoning permit/preliminary certificate of zoning compliance.

(4) *Denial:* If a final site plan is denied, the Planning Commission shall cite its reasons for denial.

(G) *Decision Criteria:* The Planning Commission shall approve a final site plan if it determines all the following are true:

(1) *Information:* All of the required information has been supplied or waivers have been granted;

- (2) *Authorization:* The applicant is legally authorized to apply for site plan approval;
- (3) *Health, Safety, and Welfare:* The site plan will not be injurious to the general health, safety, and welfare and character of the surrounding neighborhood and the Township;
- (4) *Applicable Ordinances and Laws:* The site plan is consistent with this Ordinance, other Township Ordinances, and state and federal laws;
- (5) *Master Plan:* The site plan is consistent with the Master Plan;
- (6) *Existing and Surrounding Uses:* The development is harmonious with existing and future uses in the immediate area.
- (7) *Site Organization:* All elements of the site plan are harmoniously and efficiently designed in relation to topography, the size and type of the site, the character of the surrounding area, and the type and size of buildings;
- (8) *Privacy:* The site is arranged in a manner to provide reasonable visual and sound privacy for all dwelling units located on it and to the surrounding area;
- (9) *Landscape Preservation:* The landscape is preserved in its natural state, as much as reasonably possible, by minimizing tree, vegetation, and soil removal and by topographic modifications that result in maximum harmony with the surrounding area;
- (10) *Natural Features:* The site plan preserves and protects the existing natural features, such as lakes, ponds, wetlands, woodlands, and steep slopes, as much as reasonably possible.
- (11) *Storm Water:* The storm water management system preserves natural drainage patterns, does not increase flooding to other properties, and meets the standards of the Washtenaw County Water Resources Commissioner;
- (12) *Sedimentation:* The site will not increase off-site sedimentation;
- (13) *Access:* The site has adequate and safe access from existing public or private streets.
- (14) *Internal Circulation:* The site is organized to provide movement safe and convenient vehicular and pedestrian access within the site, including a pedestrian circulation system that is insulated as much as reasonable from the vehicular circulation system;
- (15) *Street Capacity:* The street network can adequately accommodate the anticipated traffic generated by the development.
- (16) *Streets, Driveways, and Trails:* The arrangement of streets, driveways, sidewalks, and trails respect the pattern of existing and planned streets and pedestrian improvements in the area
- (17) *Emergency Access:* The site and buildings are arranged to provide for emergency access throughout the site and to all sides of buildings;
- (18) *Lighting:* Exterior lighting shall be arranged in a manner so that it is deflected away from adjacent streets and properties;
- (19) *Water Supply:* An adequate water supply is available or approved;
- (20) *Sewage System:* An adequate sewage system is available or approved;
- (21) *Hazardous Material Storage:* Adequate provisions have been made to contain any hazardous materials that may be stored or used on the site;
- (22) *Public Service Capacity:* The site shall not place an unreasonable burden on the provision of public services, such as fire, police, schools...

(H) *Expiration:* Final site plan approval shall be valid for one (1) year from the date of approval.

- (1) *Zoning Permit Application:* An application for a zoning permit/preliminary certificate of zoning compliance shall be submitted within this time or the final site plan shall be considered expired.
 - (2) *Substantial Work Completed:* Substantial work on the project shall be completed within this time or the final site plan shall be considered expired.
 - (3) *Effect:* Final site plans that have expired shall be resubmitted for review as a new application.
 - (4) *Extension Request:* The site plan shall remain valid until the Planning Commission hears the application if an application for an extension has been submitted prior to the expiration date.
- (I) **Extension:** The Planning Commission may grant one (1) extension of an approved final site plan for a period of up to one (1) year, if it determines all of the following are true:
- (1) *Application Date:* The application for an extension was submitted prior to the expiration date;
 - (2) *Applicant Effort:* The applicant has made a good-faith effort to submit a zoning permit/preliminary certificate of zoning compliance in a timely manner, and the delay was not the result of actions or inaction of the applicant;
 - (3) *Substantial Changes:* There have been no substantial changes on abutting properties since the original approval that would raise concern of the impact of the approved final site plan on those properties or on the site;
 - (4) *Current Standards:* The approved final site plan shall be in compliance with this Ordinance at the time of extension.
- (J) **Revocation:** An approved final site plan may be revoked by the Planning Commission, following a public hearing. Upon revocation of a final site plan, all activity shall cease immediately except for work related to securing the site or correcting a violation. In order to revoke an approved final site plan, any of the following must be found to be true:
- (1) *Ordinance Standard:* The execution or use of a zoning permit related to the approved site plan is not consistent with a standard of this Ordinance as it existed at the time of approval;
 - (2) *Condition of Approval:* The execution or use of a zoning permit related to the approved site plan is not consistent with any condition of approval;
 - (3) *Commitment:* The execution or use of a zoning permit related to the approved site plan is not consistent with any written or verbal commitment; or
 - (4) *Fraud:* The approval was a result of fraud or misrepresentation of facts.
- (K) **Suspension:** An approved final plan may be suspended temporarily and immediately by the Planning Commission, without notice. Upon suspension of a site plan, all activity shall cease immediately except for work related to addressing the threat. All of the following needs to be found to be true:
- (1) *Threat:* A severe and imminent threat exists to the health, safety, and welfare of neighboring persons or properties; and
 - (2) *Delay:* The delay required for noticing would be detrimental to efforts to mitigate or respond to the threat.
- (L) **Copies of Approved Final Site Plan:** The applicant shall submit two (2) hard copies and a digital copy, in a format acceptable to the Township, of the approved preliminary site plan, with any modifications required for approval. The approved final site plan shall be stamped and signed by WHOM and shall become a part of the record. Additional copies may be submitted for stamping and signing if the applicant wants a copy of copies.

(M) **As-built Plans:** The applicant shall submit one (1) hard copy and a digital copy, in a format acceptable to the Township, of the final site plan, as constructed or shall certify that the site was developed exactly as-shown in the approved plans.

SECTION XX.45 - ADMINISTRATIVE SITE PLAN REVIEW

Administrative site plans shall be reviewed as outlined in this Section.

(G) **Expiration:** Administrative site plan approval shall be valid for one (1) year from the date of approval.

(1) *Zoning Permit Application:* An application for a zoning permit/preliminary certificate of zoning compliance shall be within this time or the administrative site plan shall be considered expired.

(2) *Substantial Work Completed:* Substantial work on the project shall be completed within this time or the administrative site plan shall be considered expired.

(3) *Effect:* Administrative site plans that have expired shall be resubmitted for review as a new application.

(4) *Extension Request:* If an application for an extension has been submitted prior to the expiration date, the administrative site plan shall remain valid until the Zoning Administrator hears the application.

(H) **Extension:** The Zoning Administrator may grant one (1) extension of an approved administrative site plan for a period of up to one (1) year, if it determines all of the following are true:

(1) *Application Date:* The application for an extension was submitted prior to the expiration date;

(2) *Applicant Effort:* The applicant has made a good-faith effort to submit a zoning permit/preliminary certificate of zoning compliance in a timely manner, and the delay was not the result of actions or inaction of the applicant;

(3) *Substantial Changes:* There have been no substantial changes on abutting properties since the original approval that would raise concern of the impact of the approved administrative site plan on those properties or on the site; and

(4) *Current Standards:* The approved administrative site plan shall be in compliance with this Ordinance at the time of extension.

(I) **Revocation:** An approved administrative site plan may be revoked by the Zoning Administrator, with notice, if he finds any of the following to be true:

(1) *Ordinance Standard:* The execution or use of a zoning permit related to the approved site plan is not consistent with a standard of this Ordinance as it existed at the time of approval;

(2) *Condition of Approval:* The execution or use of a zoning permit related to the approved site plan is not consistent with any condition of approval;

(3) *Commitment:* The execution or use of a zoning permit related to the approved site plan is not consistent with any written or verbal commitment; or

(4) *Fraud:* The approval was a result of fraud or misrepresentation of facts.

(J) **Suspension:** An approved administrative site plan may be suspended temporarily and immediately by the Zoning Administrator, without notice. Upon suspension of a site plan, all activity shall cease immediately except for work related to addressing the threat. All of the following needs to be found to be true:

- (1) *Threat:* A severe and imminent threat exists to the health, safety, and welfare of neighboring persons or properties; and
- (2) *Delay:* The delay required for noticing would be detrimental to efforts to mitigate or respond to the threat.

(K) **Copies of Approved Administrative Site Plan:** The applicant shall submit two (2) hard copies and a digital copy, in a format acceptable to the Township, of the approved administrative site plan, with any modifications required for approval. The approved administrative site plan shall be stamped and signed by the Zoning Administrator and shall become a part of the record. Additional copies may be submitted for stamping and signing if the applicant wants a copy or copies.

(L) **As-built Plans:** The applicant shall submit one (1) hard copy and a digital copy, in a format acceptable to the Township, of the amended site plan, as constructed or shall certify that the site was developed exactly as-shown in the approved plans.

SECTION XX.50 - AMENDMENT OF APPROVED SITE PLAN

A site plan may be amended upon mutual consent of the property owner and the approving authority as outlined in this Section.

(A) **Application Materials:** An application for an amended site plan shall include the following:

- (1) *Application Form:* A signed and completed application form;
- (2) *Fee:* An amended site plan application fee, as outlined in the adopted fee schedule;
- (3) *Site Plans:* Fifteen (15) hard copies of the site plan and a digital copy of the site plan, in a format acceptable to the Township, for amended site plans reviewed by the Planning Commission or five (5) hard copies of the site plan and a digital copy of the site plan, in a format acceptable to the Township, for amended site plans reviewed by the Director of Planning and Zoning;
